Diliberto, 2024-10-30 Guaranteed to change how you picture Prohibition this lively history turns the spotlight on four women in the immediate aftermath of winning the vote who played influential roles on all sides of the Eighteenth and Twenty First Amendments In the popular imagination the story of Prohibition in America is a story of men and male violence one full of federal agents fighting gangsters over the sale of moonshine In contrast Firebrands is the story of four Jazz Age dynamos all women who were forces behind the passage the enforcement the defiance and ultimately the repeal of the Eighteenth Amendment They battled each other directly and they learned to marshal clout with cowed and hypocritical legislators almost all of them men Their clash over Prohibition stands as the first significant exercise of women s political power since women gained the right to vote and their influence on the American political scene wouldn t be equaled for decades In Gioia Diliberto s fresh and timely take on this period of history we meet Ella Boole the stern and ambitious leader of the Woman s Christian Temperance Union who campaigned fiercely to introduce Prohibition and fought desperately to keep it alive We also meet Mabel Walker Willebrandt the most powerful woman in America at the time who served as the top federal prosecutor charged with enforcing Prohibition Diliberto tells the story too of silent film star Texas Guinan who ran New York speakeasies backed by the mob and showed that Prohibition was not only absurd but unenforceable And she follows Pauline Morton Sabin a glamorous Manhattan aristocrat who belatedly recognized the cascading evil in Prohibition and mobilized the movement to kill it These women led their opposing forces of Wets and Drys across a teeming landscape of bootleggers gangsters federal agents temperance fanatics and cowardly politicians many of them secret drunks Building on the momentum of suffrage they forged a path for the activists who followed during the great civil rights battles of the mid twentieth century Yet they have been largely lost to history In Firebrands Diliberto finally gives these dynamic figures their due creating a varied and dramatic portrait of women wielding power in politics society and popular culture
