at narrative and drama In manuals and sermons on how to pray collections of model prayers scholarly treatises about biblical petitions and popular tracts about life crises prompting calls to God prayer is valued as a powerful agent of change Model prayers create stories about people in distinct ranks and jobs with concrete details about real life situations These characters may act in play lets or appear in the middle of difficulties or voice a suite of petitions from all sides of a conflict Thinking of early modern private prayers as dramatic dialogues rather than lyric monologues raises the question of whether play going and praying were mutually reinforcing practices Could dramatists deploying prayer on stage rely on having audience members who were already expert at making up roles for themselves in prayer and who expected their petitions to have the power to intervene in major events Does prayer s focus on cause and effect structure the historiography of Shakespeare s Henry VI Richard III Richard II Henry V and Henry VIII Silent Reading and the Birth of the Narrator Elspeth Jajdelska,2007-01-01 Uses historical linguistic and literary evidence to discuss the reorientation of the text and reader towards one another This work investigates changes in punctuation sentence structure and letter and diary writing in the period to illuminate the emergence of a different prose style and the birth of the narrator Daily, a help to family prayer Charles Forbes Harford,1902
