Diaspora Online Identity Politics And Romanian Migrants:

Diaspora Online Ruxandra Trandafoiu, 2013-04-01 After the fall of the Iron Curtain in 1989 millions of Romanians emigrated in search of work and new experiences they became engaged in an interrogation of what it meant to be Romanian in a united Europe and the globalized world Their thoughts feelings and hopes soon began to populate the virtual world of digital and mobile technologies This book chronicles the online cultural and political expressions of the Romanian diaspora using websites based in Europe and North America Through online exchanges Romanians perform new types of citizenship articulated from the margins of the political field The politicization of their diasporic condition is manifested through written and public protests against discriminatory work legislation mobilization lobbying cultural promotion and setting up associations and political parties that are proof of the gradual institutionalization of informal communications Online discourse analysis supplemented by interviews with migrants poets and politicians involved in the process of defining new diasporic identities provide the basis of this book which defines the new cultural and political practices of the Romanian diaspora

Political Internet Biju P. R., 2016-11-03 This book investigates the Internet as a site of political contestation in the Indian context It widens the scope of the public sphere to social media and explores its role in shaping the resistance and protest movements on the ground The volume also explores the role of the Internet a global technology in framing debates on the idea of the nation state especially India as well as diplomacy and international relations It also discusses the possibility of whether Internet can be used as a tool for social justice and change particularly by the underprivileged to go beyond caste class gender and other oppressive social structures A tract for our times this book will interest scholars and researchers of politics media studies popular culture sociology international relations as well as the general reader

The Globalization of Musics in Transit Simone Krüger, Ruxandra Trandafoiu, 2013-12-04 This book traces the particularities of music migration and tourism in different global settings and provides current even new perspectives for ethnomusicological research on globalizing musics in transit The dual focus on tourism and migration is central to debates on globalization and their examination separately or combined offers a useful lens on many key questions about where globalization is taking us questions about identity and heritage commoditization historical and cultural representation hybridity authenticity and ownership neoliberalism inequality diasporization the relocation of allegiances and more Moreover for the first time these two key phenomena tourism and migration are studied conjointly as well as interdisciplinary in order to derive both parallels and contrasts While taking diverse perspectives in embracing the contemporary musical landscape the collection offers a range of research methods and theoretical approaches from ethnomusicology anthropology cultural geography sociology popular music studies and media and communication In so doing *Musics in Transit* provides a rich exemplification of the ways that all forms of musical culture are becoming transnational under post global conditions sustained by both global markets and musics in transit and to which both tourists and diasporic cosmopolitans make an important contribution
