CQ Weekly, 2006 **Chicago Tribune Index**, 2006 **Hermes on Two Wheels** Kevin Wehr, 2009-09-28 Hermes on Two Wheels shows the dynamic world of the bicycle messenger through a sociological lens based on a five year participant observation study Beginning with the experiences of messengers themselves and moving to describe the structural settings of those experiences the research shows how messengers work within a political economic system that

devalues semi skilled labor and strips people of emotional fulfillment The voluntary risk taking of messengers becomes a means of achieving such emotional fulfillment as well as making a living while their stylistic expressions pay dividends in cultural scrip rather than money Through their work messengers help to reproduce and maintain the structures of society while also constructing a vibrant rebellious politicized subculture that has come to represent the new urban hipster an image continually under threat of co optation
