Sex-Positive Criminology Aimee Wodda,Vanessa Panfil,2020-09-17 Sex Positive Criminology proposes a new way to think about sexuality in the fields of criminology and criminal justice Sex positivity is framed as a humanizing approach to sexuality that supports the well being of self and others It is rooted in the principle of active and ongoing consent and it encourages perspectives that value bodily autonomy the right to access education and respect for sexual difference In this book the authors argue that institutions such as prisons schools and healthcare facilities as well as agents of governments such as law enforcement correctional officers and politicians can unduly cause harm and perpetuate
