The Zeroes Randall Lane,2011-08-30 What Liar s Poker was to the 1980s The Zeroes is to the first decade of the new century an insider s memoir of a gilded era when Wall Street went insane and took the rest of us down with it Randall Lane never set out to become a Wall Street power broker But during the decade he calls the Zeroes he started a small magazine company that put him near the white hot center of the biggest boom in history Almost by accident a man who drove a beat up Subaru and lived in a rented walk up became the go to guy for big shots with nine figure incomes Lane s saga began with a simple idea a glossy magazine exclusively for and about traders which would treat them like rock stars and entice them to splurge on luxury goods Trader Monthly was an instant hit around the world Wall Streeters loved the spotlight and advertisers like Gulfstream Maybach and Bulgari loved the marketing opportunity To accelerate the buzz Lane s staff threw parties featuring celebrities premium steaks cigars and top shelf vodka Nothing was too expensive or too outrageous Private jets in Napa Valley Casino nights in

London And 1 000 a seat boxing matches in New York where traders from Goldman Sachs and Bear Stearns pounded each other in front of tuxedoed throngs Before long Wall Street s rich and powerful trusted Lane as a fellow insider the guy who could turn an anonymous trader into a cover model and media darling And the rest of the world sought him out as a way to tap into Wall Street s riches As he emptied his bank account to help keep his little company afloat he became a nexus for the absurd Traders who turned 9 11 and Hurricane Katrina into multimillion dollar windfalls John McCain closing out the craps tables during an all night gambling binge Pop artist Peter Max hustling hundreds of thousands of dollars by selling traders paint by numbers portraits Al Gore John Travolta Moby Corrupt Caribbean rulers the mobsters from Goodfellas the pope And a retired baseball star turned market guru named Lenny Dykstra whose rise and fall was a great metaphor for the decade All played roles in Lane s increasingly surreal world When the crash of 2008 hit Lane s company and life savings were destroyed along with the high flying traders and dealmakers his magazines exalted But Lane walked away with something more lasting an incredible true story told by a skilled writer and reporter who sat squarely in the middle of one of the critical periods in modern financial and cultural history People will turn to The Zeroes for many years to come to find out what the era was really like

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
