Carpenter, 2009-06-11 Urban and rural collide in this wry inspiring memoir of a woman who turned a vacant lot in downtown Oakland into a thriving farm Novella Carpenter loves cities the culture the crowds the energy At the same time she can't shake the fact that she is the daughter of two back to the land hippies who taught her to love nature and eat vegetables Ambivalent about repeating her parents' disastrous mistakes yet drawn to the idea of backyard self-sufficiency Carpenter decided that it might be possible to have it both ways a homegrown vegetable plot as well as museums bars concerts and a twenty-four hour convenience mart mere minutes away Especially when she moved to a ramshackle house in inner city Oakland and discovered a weed-choked garbage strewn abandoned lot next door She closed her eyes and pictured heirloom tomatoes a beehive and a chicken coop What started out as a few egg-laying chickens led to turkeys geese and ducks Soon some rabbits joined the fun then two three hundred pound pigs And no these charming and eccentric animals weren't pets she was a farmer not a zookeeper Novella was raising these animals for dinner Novella Carpenter's corner of downtown Oakland is populated by unforgettable characters Lana anal spelled backward she reminds us runs a speakeasy across the street and refuses to hurt even a fly let alone condone raising turkeys for Thanksgiving Bobby the homeless man who collects cars and car parts just outside the farm is an invaluable neighborhood concierge The turkeys Harold and Maude tend to escape on a daily basis to cavort with the prostitutes hanging around just off the highway nearby Every day on this strange and beautiful farm urban meets rural in the most surprising ways For anyone who has ever grown herbs on their windowsill tomatoes on their fire escape or obsessed over the offerings at the local farmers market Carpenter's story will capture your heart And if you've ever considered leaving it all behind to become a farmer outside the city limits or looked at the abandoned lot next door with a gleam in your eye consider this both a cautionary tale and a full-throated call to action Farm

to transform your living space [Saving the Streets of Chicago](#) But God, His Story in the lives of Reverend Roosevelt, Mary Matthews, 2023-12-05 This is the story of Reverend Roosevelt Matthews and his beloved wife Mary whose work saved many in one of the poorest and most dangerous neighborhoods on Chicago's West Side But as Roosevelt emphasizes it's not his story but God's story In 1952 Roosevelt and Mary came to Chicago from Rolling Fork Mississippi as part of the Great Migration of six million Southern Blacks Shortly after they married Mary became a sixth grade Chicago Public School teacher at Faraday Elementary where she taught for thirty years With his teaching degree and certificate in hand Roosevelt headed out to the Chicago Board of Education to be assigned the school he would teach in But God had other ideas As he walked down his front steps he heard gunshots and saw troubled youth where gangs and drugs were prevalent He suddenly came to an abrupt halt struck with the Lord's call to help these young people Forgoing a career as a schoolteacher Roosevelt founded the Albany Youth Center and Albany Baptist Church which he and Mary ran for the next forty five years As one youth center attendee stated The gangs in the area did not bother the kids who attended the youth center They respected the efforts of Reverend Matthews and his wife to make the life of those kids better With the violence and racism in our country today the work of Roosevelt and Mary is a big part of the solution This book documents the But God moments where the Lord provided their needs But God when Roosevelt went to buy a defunct factory as a place to put his youth center's outdoor basketball court the owner looked him in the face and said I'd rather burn the factory down than sell it to an N word A few months later Dr King was assassinated and in the resulting riots the factory was burned to the ground The factory then became property of the City of Chicago and sold to Roosevelt for a much lower price But God teaching Interracial friendship by living in each other's homes Roosevelt established the Friendship Outreach program between white churches and Albany Baptist Church in 1972 White children came to live with Black families on Chicago's West Side and vice versa In 2018 one of the original exchange students from Minnesota returned to Albany Church with her own children continuing this wonderful long term friendship But God Mary got the smooth transition she prayed for after being diagnosed with ovarian cancer She never suffered from the ravages of the disease Looking as beautiful as ever she played piano in church just three days before she passed from her beloved Roosevelt's loving arms to God's kingdom But God as Roosevelt said The Lord directed such fine people to help us along the way One was Mother Vera Stephens who taught Roosevelt and Mary child evangelism Vera later felt the call to go to Liberia where she established the Bethesda Christian Mission School that is still inspiring the lives of many children today In 2011 Mother Stephens was posthumously honored for her work by both the president and vice president of Liberia But God while Mary and Roosevelt were not able to have biological children many former pupils attributing much of their success to Mom and Dad still call send letters and emails Several have become Bible teachers and ministers themselves while others include a college president and a corporate executive [How to Win Your Case in Small Claims Court Without a Lawyer](#) Charlie Mann, 2009 With this comprehensive guide you will get a complete run through of

The 2011 Chicago North Side Real Estate Guide Wexford House Books,2010-09-24 *The New Lawyer, Second Edition* Julie

Macfarlane,2017-07-24 The New Lawyer analyzes the profound impact changes in client needs and demands are having on how law is practised Most legal clients are unwilling or unable to pay for protracted litigation and count on their lawyers to pursue just and expedient resolution These clients are transforming the role of lawyers the nature of client service and the principles of legal practice In this fully revised edition of the now classic text Julie Macfarlane outlines how lawyers can meet new expectations by committing to lawyer client collaboration conflict resolution advocacy and revised financial structures so that the legal profession can remain relevant in this rapidly changing environment Old-House Journal ,2010-06 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice An Internet for the People Jessa Lingel,2022-06-14 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn't profit off your data An Internet for the People explores how people use craigslist to buy and sell find work and find love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site's history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist's legal history describing the company's courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web that might just hold the key to a more open transparent and democratic internet
