Cranston's Consumers and the Law Colin Scott, Julia Black, 2000-08 The third edition of this text is designed to bring the reader up to date with developments in consumer law up to 1999 It includes material on utilities and financial services regulation

Consumer Protection and the Criminal Law Peter Cartwright, 2001-10-04 The nature of criminal law doctrines such as strict corporate and vicarious liability and suggests that such doctrines require re evaluation in the light of the reality of the corporate entity This study will be of interest to academics undergraduate and post graduate students and practitioners inciples of each device s operation and presents a block circuit diagram Next he analyzes these real world circuits in detail and finally he discusses the present state of the art This approach will help to integrate the many different aspects of an electrical engineer s course work from physical optics to digital signal processing as never before Very accessible and containing over 350 illustrations and many exercises

Landmark Cases in Consumer Law Jodi Gardner, Iain Ramsay, 2024-01-11 This book analyses the history of the common law foundations of consumer law and encourages readers to rethink the role that consumer law plays in our society Consumer law is often constructed as purely statute based law However as this collection will demonstrate this is far from the truth Much of the history of the common law concerns consumer transactions and markets Case law has often established or modified the ground rules of consumer markets has had a patterning effect on the economic organisation of markets and has expressed cultural visions of the market and consumers An analysis of landmark cases of consumer law allows many traditional cases to be viewed through a new and distinct lens providing significant academic and intellectual value The collection also includes a unique socio legal perspective considering the role that consumer law has played in addressing racial discrimination LGBTQ challenges and the rights of women This collection of landmark cases demonstrates the theoretical and practical significance of consumer law through a wide range of contributions by distinguished authors from the United Kingdom Europe the United States and Australia

Banks, Consumers and Regulation Peter Cartwright, 2004-10-01 Recent developments in law public policy and regulation have ensured that questions regarding the relationship between banks and their customers have seldom been out of the spotlight This important book provides a timely original and critical examination of the role of the law in regulating banks in the interests of the consumer The work examines the social and economic rationales for and the objectives of banking regulation In so doing it focuses on the crucial role of regulation in the protection of the consumer The book then provides a critical appraisal of the principal techniques by which regulation is delivered and protection ensured Such techniques include prior approval by licensing continued supervision and information remedies such as disclosure The work also looks at how the law protects depositors of insolvent banks through financial compensation schemes and how it provides consumer redress through mechanisms for ensuring access to justice in particular ombudsmen Finally the book looks at the topical question of consumer access to banking services and considers the extent to which the law can justify placing social

obligations on banks in the consumer interest This is the first monograph to examine these important topics in this way

Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense

Electronic Fund Transfer Consumer Protection Act United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs. Subcommittee on Consumer Affairs, 1978 *Consumer Protection and Online Auction Platforms* Christine Riefa, 2016-03-03 Online auctions have undergone many transformations and continue to attract millions of customers worldwide However these popular platforms remain understudied by legal scholars and misunderstood by legislators This book explores the legal classification of online auction sites across a range of countries in Europe Including empirical studies conducted on 28 online auction websites in the UK the research focusses on the protection of consumers economic rights and highlights the shortcomings that the law struggles to control With examinations into important developments including the Consumer Rights Directive and the latest case law from the CJEU on the liability of intermediaries Riefa anticipates changes in the law and points out further changes that are needed to create a safe legal environment for consumers whilst preserving the varied business model adopted by online auction sites The study provides insights into how technical measures as well as a tighter legislative framework or enforcement pattern could provide consumers with better protection in turn reinforcing trust and ultimately benefiting the online auction platforms themselves **Access to Justice for the Chinese Consumer**

Ling Zhou, 2020-05-14 This book offers a socio legal exploration of localised consumer complaint processing and dispute resolution in the People s Republic of China now the second largest consumer market in the world and the experiences of both ordinary and professional consumers Drawing on detailed analysis of an impressive body of empirical data this book highlights local Chinese understandings and practice styles of mediation and identifies in popular consciousness a continuing sense of reliance on the government for securing consumer rights in China These are not only important features of consumer dispute processing in themselves but also help to to explain why no ombudsman system has emerged This innovative book looks at the nature of China s distinctive dispute resolution and complaints system issues within that system and the experiences of consumers within it The book illustrates the access to justice processes locally available to aggrieved consumers and provides a unique contribution to comparative consumer law studies in Asia and elsewhere

Congressional Record United States.
