QR Code Bernhard Lenk,2012 **Creating QR and Tag Codes** Phil Dutson,2012-05-10 In this short lesson adapted from Sams Teach Yourself jQuery Mobile in 24 Hours learn what QR codes are and how you can use them as an effective marketing technique This useful Short covers how to render QR codes using available code rendering websites or creating them on your own stylizing QR codes for better customer response and generating Microsoft Tag codes which can be used to serve content to mobile devices just like QR codes do **Qr Codes in Education** David Hopkins,2013-05 These black and white squares have appeared everywhere from billboards at the side of the road roof tops cola cans buses magazines etc So why not in your library textbook assignment project or classroom display The ability to use them to direct students or colleagues to online resources presentation slides websites video book location etc is powerful and engaging and when well implemented can offer a level of interaction and engagement It s not about what they are but about how we use them and what they can offer me in an educational setting Whether you re a teacher student parent school governor or on the PTA you ought to know about QR Codes what they are how they work and how you can leverage them to increase student participation in and around the classroom They offer the ability to share digital content from teacher to student from student to student and even from student to teacher Go on try it This eBook will explain everything and put QR Codes in context Using computers and technology in educational environments can be exciting and challenging Implementing QR Codes within your student s learning is just that exciting to see how students of all ages use and interact with them and a challenge to make them usable informative applicable and appropriate This book draws on established examples from the commercial and corporate world as well as from established users of QR Codes at all levels of education from primary schools up to Universities Not only will you find examples of how QR Codes have been used but you will find out how you can design create and implement your own QR Code treasure hunt library resource student group work orientation activity conference or event feedback etc David Hopkins has developed a respected reputation among educational technology networks for his use and research into the uses of QR Codes He has been active with QR Codes at Bournemouth University and more recently at the University of Leicester since 2008 This book draws on David s QR Code experience with poster projects classroom activities and workshops and delivers these through a practical and up to date guide What are people saying about QR Codes in Education All you ever wanted to know about using QR codes in Education is in this eBook It takes you from the very basics of what these delightful square barcodes are how to view the information they link to how to easily create your own and most importantly a vast array of ideas on why you would want to use them Whilst not a newcomer to QR codes I came away from reading inspired and with new ideas of how QR codes could be used to enhance learning and teaching Sue Beckingham suebecks Educational Developer Sheffield Hallam University The information is concise and user friendly The Planning Creating and Monitoring your QR Codes chapter offers everything you need to get going with QR codes Because of David s

extensive experience you won't have to learn the hard way. He's made it easy. The book is well balanced but keep in mind David's examples and suggestions for using QR Codes in Education are very persuasive. Brian Bishop, bbishop262, CEO Virtualworks. David's book is a great place to begin for those educators who wish to start using QR codes in their classroom. The book begins by explaining what QR codes are and then delves into examples of use in education and Libraries. A veritable treasure trove of inspiration, the book should be read for this alone. Chapter QR Codes in the classroom and I will be definitely trying some out. Julian Wood, ideas_factory, Sheffield Primary School, Future Learning Technologist.
