Creating Socialist Yugoslavia Leadership International Ebook:

Creating a Socialist Yugoslavia Hilde Katrine Haug, 2012 The Yugoslav communist leaders aspired to create a socialist Yugoslavia and when they came into power in 1945 they claimed to have introduced a socialist solution to the Yugoslav national question But what did it imply to solve a national question and what did introducing a socialist solution to a national question entail Conflict and Cohesion in Socialist Yugoslavia Steven L. Burg, 2014-07-14 Steven L Burg views Yugoslav politics since 1966 in terms of the communist leadership's efforts to preserve political cohesion in the face of powerfully divisive domestic conflicts He examines the bases of those conflicts their suppression with the establishment of communist power and their reemergence and escalation into crisis during the late 1960s and early 1970s a period when the conflict between hostile nationalisms reinforced by regional economic differences directly challenged communist power Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Yugoslav Socialism* Harold Lydall, 1984 An important well balanced and serious book indispensable reading for all those interested not only in Yugoslavia but also in problems likely to be encountered by labour managed economies that might be set up in future International Affairs The paperback edition has been updated **Remembering Utopia** Breda Luthar, Maruša Pušnik, 2010 The history of socialism lacks close accounts of the texture of life in the margins of society which include narratives of the feelings experiences and practices of ordinary people This book provides them and undermines persisting interpretations of real life under socialism which rely on macro studies of social structures and on the political and institutional histories of socialism As such the book is also an attempt to de Westernize the discourse on Central Eastern Europe as Europe's periphery or its Orient The culture of memory is evoked either through oral traditions or textual analyses of records of the public discourse Both facets contribute to a cultural history of the era of socialism in Yugoslavia between 1945 and 1980 Tito's death from back cover **Beyond Yugoslavia** Sabrina Petra Ramet, 2020-04-09 The fruit of a landmark international collaboration this book focuses on the final years of socialist Yugoslavia and on the beginning of the country's breakup With chapters devoted to each of erstwhile Yugoslavia's six republics the book also offers a unique blend of thematic essays on political cultural economic environmental religious and foreign policy issues Bringing together renowned scholars from the United States Great Britain Serbia and Croatia the book shows how disintegrative tendencies penetrated and affected all spheres of life in Yugoslavia The resultant war has therefore been fought not only on military and diplomatic fronts but also at the level of economics through literature and film and in the spheres of religion and gender relations Contemporary Yugoslavia Wayne S. Vucinich, 2021-01-08 This title is

part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 Political Organizations in Socialist Yugoslavia Jim Seroka,Radoš Smiljković,1986 *The development of socialist Yugoslavia* M. George Zaninovich,Jan F. Triska,1968 The Development of Socialist Yugoslavia M. George Zaninovich,1970 Yugoslavia, Nonalignment and Cold War Globalism Zvonimir Stopić,Robert Niebuhr,David Pickus,2024-10-28 This book explores the emergence of Yugoslav globalism and how it was influenced by the early Cold War the changes once Yugoslavia established itself as a nonaligned leader and what the decline of Yugoslav globalism reveals about the waning Cold War and the history of internationalist diplomacy Although Yugoslavia was correctly defined as a regional power it is not true that Tito's influence was confined to the Balkans alone Even before the 1948 split with Stalin political elites and intellectuals imagined socialist Yugoslavia as a model for international comity and development Subsequently due to dramatic changes in the climate of international diplomacy Yugoslav globalist outreach found an audience and altered the course of early and fateful superpower stand offs In turn such globalism was a significant part of Tito's stewardship of nonalignment This is a story that has never been fully told Yugoslavia Nonalignment and Cold War Globalism fills this gap in discussions of the emergence of globalist discourse in the post 1989 era This volume is aimed at scholars and students of the Cold War and Tito's era in Yugoslavia as well as general readers of history interested in leadership and the role of regional powers in world politics
