Diaries Of An Unfinished Revolution Voices From Tunis To Damascus:

Diaries of an Unfinished Revolution Layla Al-Zubaidi, Matthew Cassel, 2013-12-31 An English PEN Award winning collection of personal testimony from participants in the Arab Spring As revolution swept through the Arab world in spring of 2011 much of the writing that reached the West came via analysts and academics experts and expats We heard about Facebook posts and tweeted calls to action but what was missing was testimony from on the ground participants which is precisely what Layla Al Zubaidi and Matthew Cassel have brought together in Diaries of an Unfinished Revolution These essays and profoundly moving often harrowing firsthand accounts span the region from Tunisia to Syria and include contributors ranging from student activists to seasoned journalists half of whom are women This unique collection explores just how deeply politics can be held within the personal and highlights the power of writing in a time of revolution

Constitutionalism, Human Rights, and Islam after the Arab Spring Rainer Grote, Tilmann J. Röder, 2016-07-25 Constitutionalism Human Rights and Islam after the Arab Spring offers a comprehensive analysis of the impact that new and draft constitutions and amendments such as those in Jordan Morocco Syria Egypt and Tunisia have had on the transformative processes that drive constitutionalism in Arab countries This collection of essays written by an expert team of constitutional and comparative law scholars and practitioners provides an overview of the recent constitutional experience of Arab countries explores the potential and actual impact of Islam and Sharia on the notion of modern constitutionalism and offers insight into the ways in which Western ideals may be reconciled with the Islamic tradition

Musical Spaces James Williams, Samuel Horlor, 2021-11-29 There is growing recognition and understanding of music s fundamentally spatial natures with significances of space found both in the immediacy of musical practices and in connection to broader identities and ideas around music Whereas previous publications have looked at connections between music and space through singular lenses such as how they are linked to ethnic identities or how musical images of a city are constructed this book sets out to explore intersections between multiple scales and kinds of musical spaces It complements the investigation of broader power structures and place based identities by a detailed focus on the moments of music making and musical environments

revealing the mutual shaping of these levels The book overcomes a Eurocentric focus on a typically narrow range of musics especially European and North American classical and popular forms with case studies on a diverse set of genres and global contexts inspiring a range of ethnographic text based historical and practice based approaches **A Concise History of Revolution** Mehran Kamrava,2020 From rebellion to revolution Social movements and revolution Revolutionary states Revolutionary politics **Anatomy of Authoritarianism in the Arab Republics** Joseph Sassen,2016-02-24 Examines the system of authoritarianism in eight Arab republics including life under these regimes and the mechanisms underpinning their resilience Understanding and Teaching the Modern Middle East Omnia El Shakry,2020-10-20 Many students learn about the Middle East through a sprinkling of information and generalizations deriving largely from media treatments of current events This scattershot approach can propagate bias and misconceptions that inhibit students abilities to examine this vitally important part of the world Understanding and Teaching the Modern Middle East moves away from the Orientalist frameworks that have dominated the West s understanding of the region offering a range of fresh interpretations and approaches for teachers The volume brings together experts on the rich intellectual cultural social and political history of the Middle East providing necessary historical context to familiarize teachers with the latest scholarship Each chapter includes easy to explore sources to supplement any curriculum focusing on valuable and controversial themes that may prove pedagogically challenging including colonization and decolonization the 1979 Iranian revolution and the US led war on terror By presenting multiple viewpoints the book will function as a springboard for instructors hoping to encourage students to negotiate the various contradictions in historical study *Historical Dictionary of the Arab Uprisings* Aomar Boum,Mohamed Daadaoui,2020-03-10 The Arab uprisings that swept the Middle East and North Africa in the period from 2011 2012 left an indelible mark on the socio political landscape of the region But that mark was not consistent across the region while some countries underwent dramatic popular social and political changes others teetered on the brink or were left with the status quo intact Street revolutions toppled despotic regimes in Tunisia Libya and momentarily in Egypt while mounting serious challenges to authoritarian regimes in Syria and Yemen Algeria s entrenched bureaucratic cum military authoritarian system proved resilient until the recent events of early 2019 which forced the resignation of President Abdelaziz Bouteflika before the end of his term on 28 April 2019 As in Algeria protestors in Sudan succeeded after months of demonstrations in overthrowing the government of Omar al Bashir Several Arab monarchies still appear stable and have managed to weather the tempest of the Arab revolutions albeit not without fissures showing in the edifice of their states accompanied by some minor constitutional changes Where Tunisians Egyptians Yemenis Syrians and Libyans demanded regime changes in their political systems protesters in the Arab monarchies have called on the kings and emirs to reform their political system from the top down indicating the sizeable monarchical advantage Historical Dictionary of the Arab Uprisings contains a chronology an introduction and an extensive bibliography The dictionary section has over 500 cross

referenced entries on the terms persons and events that shaped the Arab Spring uprisings This book is an excellent resource for students researchers and anyone wanting to know more about the Arab Uprisings Chronicles of the Egyptian Revolution and its Aftermath: 2011-2016 M. Cherif Bassiouni,2017 This book analyses Egypt s 2011 Revolution highlighting the struggle for freedom justice and human dignity in the face of economic and social problems and an on going military regime Ageism in Youth Studies Gayle Kimball,2017-05-11 Ageism is prevalent in a great deal of current scholarship in the social sciences as scholars fault youth for being delinquent or politically apathetic Researchers ignore young people s actual voices despite their leadership in recent global uprisings some of which unseated entrenched dictators Neoliberalism must be exposed in its focus on youth sub cultures and styles rather than economic barriers caused by growing inequality and rising youth unemployment rates Ageism in Youth Studies also discusses the debate about Generation We or Me and if Millennials are narcissistic Resources about global youth studies are included along with the results of the author s surveys and interviews with over 4 000 young people from 88 countries
