Diasporic Modernisms Hebrew And Yiddish Literature In The Twentieth Century:

Diasporic Modernisms Allison Schachter, 2011-11-04 Offering the first comparative literary history of Hebrew and Yiddish modernist prose **Diasporic Modernisms** Allison Schachter, 2011-11-04 Pairing the two concepts of diaspora and

modernism Allison Schachter formulates a novel approach to modernist studies and diasporic cultural production **Diasporic Modernisms** illuminates how the relationships between migrant writers and dispersed readers were registered in the innovative practices of modernist prose fiction The Jewish writers discussed including S Y Abramovitsh Yosef Chaim Brenner Dovid Bergelson Leah Goldberg Gabreil Preil and Kadia Molodowsky embraced diaspora as a formal literary strategy to reflect on the historical conditions of Jewish language culture Spanning from 1894 to 1974 the book traces the development of this diasporic aesthetic in the shifting centers of Hebrew and Yiddish literature including Odessa Jerusalem Berlin Tel Aviv and New York Through an analysis of Jewish writing Schachter theorizes how modernist literary networks operate outside national borders in minor and non national languages Offering the first comparative literary history of Hebrew and Yiddish modernist prose **Diasporic Modernisms** argues that these two literary histories can no longer be separated by nationalist and monolingual histories Instead the book illuminates how these literary languages continue to animate each other even after the creation of a Jewish state with Hebrew as its national language Literary Cultures and Twentieth-Century Childhoods

Rachel Conrad, L. Brown Kennedy, 2020-09-12 This collection of essays offers innovative methodological and disciplinary approaches to the intersection of Anglophone literary cultures with children and childhoods across the twentieth century In two acts of re centering the volume focuses both on the multiplicity of childhoods and literary cultures and on child agency Looking at classic texts for young audiences and at less widely read and unpublished material across genres including poetry fiction historical fiction or biography picturebooks and children s television essays foreground the representation of child voices and subjectivities within texts explore challenges to received notions of childhood and emphasize the role of child oriented texts in larger cultural and political projects Chapters frame themes of spectacle self and specularity across the twentieth century question tropes of childhood explore identity and displacement in narrating history and culture and elevate children as makers of literary culture A major intent of the volume is to approach literary culture not just as produced by adults for consumption by children but also as co created by young people through their actions as speakers artists readers and writers **Nomadic Modernisms and Diasporic Journeys of Djuna Barnes and Jane Bowles** Pavlina

Radia, 2016-09-07 This book traces the artistic trajectories of Djuna Barnes and Jane Bowles examining their literary representations of the nomadic ethic pervading the twentieth century expatriate movements in and out of America The book argues that these authors contribute to the nomadic aesthetic of American modernism its pastoral ideographies post colonial ecologies as well as regional and transcultural varieties Mapping the pastoral moment in different temporalities and spaces

Barnes representing the 1920s expatriation in Europe while Bowles comments on the 1940s exodus to Mexico and North Africa this book suggests that Barnes and Bowles counter the critical trend associating American modernity primarily with urban spaces and instead locate the nomadic thrust of their times in the post colonial history of the American frontier The Oxford Handbook of Global Modernisms Mark Wollaeger, Matt Eatough, 2013-10 The Oxford Handbook of Global Modernisms expands the scope of modernism beyond its traditional focus on English and Irish literature to explore the contributions of artists from countries and regions like the US Cuba Spain the Balkans China Japan India Vietnam and Nigeria **Jewish Primitivism** Samuel J. Spinner, 2021-07-27 Around the beginning of the twentieth century Jewish writers and artists across Europe began depicting fellow Jews as savages or primitive tribesmen Primitivism the European appreciation of and fascination with so called primitive non Western peoples who were also subjugated and denigrated was a powerful artistic critique of the modern world and was adopted by Jewish writers and artists to explore the urgent questions surrounding their own identity and status in Europe as insiders and outsiders Jewish primitivism found expression in a variety of forms in Yiddish Hebrew and German literature photography and graphic art including in the work of figures such as Franz Kafka Y L Peretz S An sky Uri Zvi Greenberg Else Lasker Sch ler and Mo Ver In Jewish Primitivism Samuel J Spinner argues that these and other Jewish modernists developed a distinct primitivist aesthetic that by locating the savage present within Europe challenged the idea of the threatening savage other from outside Europe on which much primitivism relied in Jewish primitivism the savage is already there This book offers a new assessment of modern Jewish art and literature and shows how Jewish primitivism troubles the boundary between observer and observed cultured and primitive colonizer and colonized

David Bergelson's Strange New World Harriet Murav, 2021-12-22 A contemporary evaluation of Bergelson and his works examining Yiddish literature Jewish culture and modernism David Bergelson 1884 1952 emerged as a major literary figure who wrote in Yiddish before WWI He was one of the founders of the Kiev Kultur Lige and his work was at the center of the Yiddish speaking world of the time He was well known for creating characters who often felt the painful after effects of the past and the clumsiness of bodies stumbling through the actions of daily life as their familiar worlds crumbled around them In this contemporary assessment of Bergelson and his fiction Harriet Murav focuses on untimeliness anachronism and warped temporality as an emotional sensory existential and historical background to Bergelson s work and world Murav grapples with the great modern theorists of time and memory especially Henri Bergson Sigmund Freud and Walter Benjamin to present Bergelson as an integral part of the philosophical and artistic experiments political and technological changes and cultural context of Russian and Yiddish modernism that marked his age As a comparative and interdisciplinary study of Yiddish literature and Jewish culture this work adds a new ethnic dimension to understandings of the turbulent birth of modernism Harriet Murav treats Bergelson with the care and sincerity that literary critics have shown other important writers This is a masterpiece of literary scholarship that will be sure to transform not only how people read Bergelson and

who chooses to read Bergelson but how readers engage with the entire concept of modernism itself David Shneer author of *Yiddish and the Creation of Soviet Jewish Culture 1918-1930* *The Holocaust & the Exile of Yiddish* Barry Trachtenberg, 2022-04-15 This book tells the saga of the Yiddish language general encyclopedia *Algemeyne entsiklopedye* 1932-1966 and the editors who continued to publish it even as they were sent into repeated exile and their world was utterly transformed by the Holocaust It is not a story only about destruction and trauma but also one of tenacity and continuity as the encyclopedia's compilers strove to preserve the heritage of Yiddish culture to document its near total extermination in the Holocaust and to chart its path into the future *Beyond the Land* Melissa Weininger, 2023-08-29 A re-evaluation of the meaning and function of diaspora in contemporary Israeli culture This thought-provoking exploration of literature and art examines contemporary Israeli works created in and about diaspora that exemplify new ways of envisioning a Jewish national identity Diaspora has become a popular mechanism to imagine non-sovereign models of Jewish peoplehood but these models often valorize powerlessness in sometimes troubling ways In this book Melissa Weininger theorizes a new category of diaspora Israeli culture that is formed around and through notions of homeland and complicate the binary between diaspora and Israel The works addressed here inhabit and imagine diaspora from the vantage point of the putative homeland engaging both diasporic and Zionist models simultaneously through language geography and imagination These examples contend with the existence of the state of Israel and its complex implications for diaspora Jewish identities and nationalisms as well as the implications for Zionism of those diasporic conceptions of Jewish national identity This dynamic understanding of both an Israeli and a Jewish diaspora works to envision a non-hegemonic Jewish nationalism that can negotiate both political imagination and reality **Hyam Plutzik and the Mosaic of Time** Victoria Aarons, Holli G. Levitsky, Hilene Flanzbaum, 2025-09-30 This original collection of essays written by scholars and poets explores the life and work of Hyam Plutzik 1911-1962 whose poetry came to fruition at a time of cultural change set against the historical rupture of the Holocaust and World War II The chapters in this volume explore in depth the influence of both modernist poetics and American Jewish identity on Plutzik's richly figured poetry The son of Russian Jewish immigrants who arrived in the United States during the third great wave of Jewish immigration Plutzik's poetic milieu is inflected with the linguistic mosaic of his cultural inheritance With close focus on his most significant work the individual chapters bring to light complicated issues of Jewish American ethnicity and identity in twentieth-century American cultural studies This collection speaks to the legacy of this poet whose work continues to have relevance for Jewish literary studies and poetics
