More Than Just a Girl! Ndueso Young, 2012-07-23 What The Heck Is It About Being a Girl Ever wondered what the true essence of girlhood is Ever pondered if there is something more to being feminine Ever found fault with the struggle to fit

into a defined role that reduces your life's purpose down to waiting for some guy to put a ring on your finger. Do you crave for a life of greater objectivity, value, relevance, fulfilment and personal greatness? Girlhood offers that life. More Than Just a Girl is an undiluted and straight forward departure from the must fit in, wear little or nothing on your body, hook up with any boy, feel good and have fun messages everywhere. It is a promising call to the more rewarding use of girlhood for empowering activities that stimulates the power within. In her clearly classic and practical style, Nduseso Young provides invaluable insights that will help you gain the courage to shred the paradigm of passive existence, interpret the events of your life in empowering perspectives, identify barriers to personal confidence and steer yourself to interdependence, guard yourself from abuse driven proposals and shine from within, live on purpose, reach for lofty heights and achieve personal greatness. You have in your hands a thought provoking bundle that will shift your perceptions and stir you into worthwhile actions. Get ready to experience the lost drive for girlhood optimization and find what will take you from mere feminine gender identity to becoming more than just a girl. Nduseso brings a refreshing insight to girls as she encourages them to see beyond the cover of their identity and search deeper into the content of what it means to be a girl. From the foreword by Eniabitobi Kuyinu.

Nathi Mhlaba, 2011-08-26 By Roane Swindon 2012 02 24 Book Review Fearlessly Single by Nathi Mhlaba Society is bent on emphasizing the importance of relationships and marriage so how can a single Christian woman cope in such a world? Author Nathi Mhlaba has been through all of this and it seems that she has the answers. In her book Fearlessly Single: Diary of a Single Christian Woman she explores the fact that women today are obsessed with getting into relationships and finding someone to marry. She also considers how difficult it is for a religious Christian woman to find an equally religious Christian man to marry. Through anecdotes Mhlaba explores how she went wrong in her own relationships and her experience has given her the insight to advise other single Christian women about how they can resurrect their relationships with God. She postulates that it is more important for a single woman to discover themselves, be happy in themselves on their own and to become closer to God and then the perfect relationship will follow. Mhlaba has a sincere passion for her religion and for her

newfound cause in life to spread the word of God and encourage single women through the passages of her book which are certain to be consoling to many of the South African women who continuously find themselves in bad relationships or feel without direction if they are alone She is at pains to urge Christian women to be comfortable in the now and to remember that God has a plan for everyone They just need to have faith and remember that being single is an opportunity for them to be themselves and a blessing from God **From the Blues to the Good News and Other Poems** Benjamin
