Completing Your Qualitative Dissertation Linda Dale Bloomberg, Marie Volpe, 2008-01-24 Completing your Qualitative Dissertation fills an important gap in the qualitative research literature by specifically addressing the fast growing practice of qualitative postgraduate dissertations in colleges and universities throughout the world Many students struggle to complete qualitative research projects because the research itself is inherently messy To address this challenge the authors have distilled decades of experience into a first of its kind highly

practical reference for graduate students At the heart of the book is a series of chapters that models the typical progression of a dissertation Each chapter is illustrated by examples that give the reader an understanding of what the actual write up would look like Emphasis throughout the book is on conceptual understanding as it relates to the practical aspects involved in navigating the dissertation process *Methodological Innovations in Research and Academic Writing* Zimmerman, Aaron Samuel, 2021-10-08 Innovative methodological approaches are vital for experienced researchers and early career researchers alike to conduct research In order to provide them with the best possible resources the methodologies must be comprehensive and describe the data sources approaches to data collection and approaches to data analysis that are typically employed within the given methodological approach *Methodological Innovations in Research and Academic Writing* serves as a resource for graduate students and higher education faculty and presents a number of methodological innovations in research as well as applied examples of these methodologies in practice The chapters focus on the application of methodological approaches through the presentation of real world examples and descriptions of the epistemological foundations of the given methodologies so that researchers can fully articulate and justify their methodological choices in the context of their research design It is a crucial guide for graduate students who are designing and writing their doctoral dissertations as it introduces them to the best practices related to rigorous research design and academic writing This book is ideal for graduate students higher education faculty researchers and academicians **Hybridizing Mission** Peter T. Lee, 2022-09-27 This qualitative study explores intercultural social dynamics among international Christian workers who are part of multicultural teams engaged in Christian ministries in a North African country It seeks to understand these workers lived realities at intersections of multiple cultural flows Ethnographic methods were used to collect and analyze data and forty nine international Christian workers were interviewed The findings of this study indicate that intercultural Christian workers go through complex intercultural social processes interwoven in the fabric of their everyday life These processes are mediated by their social experiences in the local North African context and their multicultural teams resulting in significant changes in their personal dispositions and social behaviors Based on these findings a working concept of diasporic habitus is developed and the practice of double discourses of culture is further examined This research suggests that some existing missiological concepts need to be revisited and recommends further interdisciplinary conversations involving cultural anthropology and sub fields in psychology about the changes that happen to people in intercultural missions It also calls for a reflexive approach to missiological research that incorporates awareness of one's situatedness and the lasting impact of historical entanglements on contemporary intercultural relations *Mentorship and Professional Development of Trainee Teachers in Zimbabwean Secondary Schools* Liberty Mberikwazvo, 2025-07-16 Rigorous training for aspiring teachers is crucial for sustainable education globally This book explores the vital mentorship roles of school leaders in selected Zimbabwean secondary schools Drawing upon the Framework of Instructional Leadership and the Mutual Benefits Model this

qualitative study delves into the lived experiences of school leaders and trainee teachers Findings reveal that while school leaders generally view mentoring positively and mutually benefit from the process challenges like limited training resource shortages and lack of collaboration exist The book proposes a practical framework to enhance mentoring in developing communities emphasising in service training clear guidelines and adequate resources This essential resource offers valuable insights for scholars and policymakers in education management curriculum studies and professional development

Dissertation Research Methods Philip Adu,D. Anthony Miles,2023-09-11 *Dissertation Research Methods A Step by Step Guide to Writing Up Your Research in the Social Sciences* focuses specifically on the methodology for planning writing and submitting your dissertation thesis Written by two methodology experts in the social sciences the book provides a step by step guide through each stage of the dissertation process It covers all aspects of the methodological considerations needed from choosing a topic or research question developing a literature review identifying research gaps accessing potential study participants utilizing the right sampling strategies analyzing data and writing up findings Readers are introduced to the main research methods normally used in dissertations and their characteristics and they are guided to choose an appropriate research method for their study provide a substantial description of the selected method and articulate strong arguments in support of it The book is filled with templates exemplars and tools to help students write about methodology in their thesis and to equip readers to successfully troubleshoot any methodology challenges they may face This compact book will be of use to all graduate students and their supervisors in the Social Sciences and Education and Behavioural Sciences who are looking for a guide to working with robust and defensible methodological principles in their dissertation research and theses

Frameworks for Multi-Tiered Systems of Support for Trauma-Informed Educational Settings Aniano, Jennifer Lauren,2025-05-02 The use of multi tiered systems of support MTSS in schools has implications for social and cultural development It provides the opportunity for empowerment and inclusion of students who are often overlooked or struggling to adapt such as multilingual neurodiverse and sexually exploited students Increased competency in understanding and utilizing MTSS may provide teachers with opportunities for professional development Effective teacher training is often necessary for creating affirming safe and equitable educational environments Further research into the MTSS framework may challenge educators to include social and restorative justice practices in the classroom *Frameworks for Multi Tiered Systems of Support for Trauma Informed Educational Settings* highlights the importance of anti racism cultural competence and social emotional learning in education settings It explores the role of social justice and restorative justice in building trauma informed educational settings Covering topics such as anti racist education family therapy and math anxiety this book is an excellent resource for school administrators policymakers educators researchers academicians and more

Pentecostal Liturgical Theology Monte Lee Rice,2025-02-20 This book explores how Pentecostal meaning full worship frees people into a cosmic liturgy that wills humanity to Pentecost A liturgical turn has marked recent Pentecostal studies

producing a growing body of liturgical theologies This cutting edge work analyses four theologians at its forefront Tanya Riches Daniela Augustine Chris E W Green and Wolfgang Vondey It does so through a liturgy as primary theology approach which defines liturgy as the church at prayer Here Rice shows how Pentecostal experience clarifies liturgy as the church at prayer on the altar Drawing from critical discourse analysis continental philosophy and Aristotelian wisdom this incisive book proceeds by narrating a healing soteriology that makes humanity willed to the common good signified by Pentecost Working from Walter Hollenweger s insights on the ecumenical promise of Pentecostal liturgy Rice identifies inclusivity liberative spirituality Majority World epistemology gift sharing community and scholarly re oralization as apt benchmarks for Pentecostal liturgical theology This inclusive multi faceted form reveals how Occidental voices dominate the Pentecostal discourse yet conversely offers augmenting pathways toward a more globally representative theology summoning the Pentecostal academy to the altar The foremost pathway this book presents is its theology of Pentecostal meaning full worship Through the lens of liturgy as a cosmic gift economy Rice shows how Pentecostal meaning full worship frees people into a cosmic liturgy that wills humanity to Pentecost Through engaging Ricoeurian Aristotelian narrative theory this eye opening work thus climaxes with a briefly constructed Pentecostal theology of the altar It shows how Pentecostal meaning full worship fosters moral formation as worshippers place themselves on the altar of sacrifice becoming priestly partners with God fuelling the gift economy that flourishes his household till all creation be willed to Pentecost
