Dear Employees,

I am writing to inform you that our company will be implementing a drug testing program. This program will be in place to ensure the safety and well-being of our employees and to ensure that our workplace is free from the influence of drugs or alcohol.

We will be conducting periodic random drug screenings throughout the year. All employees are subject to random drug testing and must comply with the rules and regulations of the drug testing program. Refusal to comply with the program will be grounds for disciplinary action up to and including termination.

The drug testing program is designed to help maintain a safe and secure environment for our employees. We take the safety of our employees very seriously and believe this program is an important part of that effort. If you have any questions or concerns about the program, please don't hesitate to speak to your supervisor or Human Resources.

Sincerely,
