

The background of the cover is a deep red with abstract, flowing patterns. In the lower-left foreground, there is a detailed illustration of a transesophageal echocardiography (TEE) probe. The probe has a long, teal-colored shaft and a white, curved tip. It is positioned as if it is about to enter a stylized heart, which is depicted in shades of red and pink. The heart's internal structures, including the valves, are visible in a simplified, anatomical style. The overall design is modern and medical.
