Capital One Year End Summary 2014

Elena Botella

Capital One Year End Summary 2014:

The Report: Mexico 2015 Oxford Business Group,2016-11-11 Slow economic growth has characterised Mexico's economic performance for much of the past decade Taking office in December 2012 the government of Enrique Peña Nieto set out to boost Mexico's competitiveness with a package of structural reforms affecting a number of sectors including energy telecommunications tax labour and education The package's most eye catching component was a constitutional reform designed to end decades of state monopoly in the oil and gas sector and attract investment from major international oil companies Though low oil prices and a degree of nervousness over the potential effects of monetary tightening in the US have dampened initial investor and market enthusiasm over the reforms the outlook for the Mexican economy remains stable with demand from the US expected to support Mexican activity despite low domestic demand and business confidence
