decimated Where there had been order there was now chaos And as the power of science and technology receded magick rose up in its place Some of it is good like the witchcraft worked by Lana Bingham practicing in the loft apartment she shares with her lover Max Some of it is unimaginably evil and it can lurk anywhere around a corner in fetid tunnels beneath the river or in the ones you know and love the most As word spreads that neither the immune nor the gifted are safe from the authorities who patrol the ravaged streets and with nothing left to count on but each other Lana and Max make their way out of a wrecked New York City At the same time other travelers are heading west too into a new frontier Chuck a tech genius trying to hack his way through a world gone offline Arlys a journalist who has lost her audience but uses pen and paper to record the truth Fred her young colleague possessed of burgeoning abilities and an optimism that seems out of place in this bleak landscape And Rachel and Jonah a resourceful doctor and a paramedic who fend off despair with their determination to keep a young mother and three infants in their care alive In a world of survivors where every stranger encountered could be either a savage or a savior none of them knows exactly where they are heading or why But a purpose awaits them that will shape their lives and the lives of all those who remain The end has come The beginning comes next **Tonight and Always**

Nora Roberts, 2014-08-05 A story of misplaced expectations and unexpected passion from 1 New York Times bestselling author Nora Roberts For a change of pace renowned anthropologist Kasey Wyatt takes a job working for bestselling author Jordan Taylor who needs help researching his latest novel about the Plains Indians Upon arriving at Jordan's impressive Palm Springs estate Kasey finds all the trappings of a family but none of the warmth Jordan's forbidding mother is immediately suspicious of her while Jordan's shy and serious orphaned niece represses her curiosity Jordan himself is an expert at hiding his emotions behind an aristocratic facade Hardly the quiet and bookish woman they were all expecting Kasey infuses their lives with light and laughter And suddenly Jordan finds himself drawn to a woman unlike any he has ever desired one who is able to transform his day to day existence into a life worth living You can't bottle wish fulfillment but Ms Roberts certainly knows how to put it on the page The New York Times When it comes to true romance no one does it better than Nora Booklist starred review
