Summary of Captivated by You A Book a Day, 2016-09-29 Captivated by You, Crossfire Series Book 4, is built using alternating chapters from the two main characters, Gideon's and Eva's first-person perspectives. Captivated by You uses a unique and most refreshing literary device for the romance genre and one which proves emotionally anchoring for the reader and the couple. Also, unlike many other romance flicks, this book attempts to bring in and deal with some weightier real-life issues. The narrative in this book is female-focused, as every attention is given to what we know about female readership preferences. Our male hero, Gideon, is attentive, rich, good-looking, and bonus: cherry on top, yes, ladies, he cooks in the kitchen, not just in bed. Eva, and most female readership, will resonate with his continual doting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so that the book's title, Captivated By You, is understated and might be better renamed Can't Live an Hour Without You. Yes, it's a tongue-in-cheek title, or at least his tongue-in-her-cheek's title. The two main characters are Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two

professional 20 somethings and painfully needy. Largely their neediness stems from their abusive sexual pasts. While both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue that holds all chapters together. There is Monday night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, after work sex, and sex after sex. And yes, this sex starts to wear thin as likely so do the sheets about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another as even the primal nature of the page garners Gideon's Angel mine and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today for a limited time discount of only 2.99.
