Captivated By You Recap:

Sylvia Day's Captivated by You (Crossfire) Summary & Analysis Ant Hive Media, 2015-11-02 Captivated By You is the fourth book in the continuing series by novelist Sylvia Day. It takes the story further and encompasses the period between Gideon and Eva eloping and their actual wedding. At this time, very few of their good friends know of their real marital status. The novel may be read as a standalone book, but when read as part of the series, it offers a more in-depth reading experience since there are a number of references to characters and past events from the earlier books. Captivated By You is more than just a romance. It may have sexual and steamy love-making scenes, but that is now part of the genre. A complex story that does not end when the guy gets the girl; it actually starts with the guy getting the girl. It goes on to check out their sexual lives and their psychological fears and needs. Dominance, the need for power, and the underlying sexual longing all have an impact on their relationship. Summary of Leaving Time Includes Book Review, Story Analysis, Highlights of Elements many Readers may have missed, Key Character Analysis, Discussion of Themes, Symbols and Key Takeaways, Chapter by Chapter Breakdown of Entire Book. About the Author. Ant Hive Media reads every chapter, extracts the understanding, and leaves you with understanding and time to spare. We do the work so you can understand the book in minutes, not hours. *Summary of Leil Lowndes's How to Make Anyone Fall in Love with You* Everest Media, 2022-05-04T22:59:00Z Please note: This is a companion version, not the original book. Sample Book Insights: 1. First impressions are extremely important and they can last forever. You never get a second chance to make a first impression. Be ready for love and always be prepared to make a good one. 2. You must be physically and psychologically ready to sell. You must keep your doors open to let love in wherever you are. You cannot just expect to meet people at parties and singles clubs. 3. The first step in making your Quarry fall in love with you is to make him or her feel extremely emotional, similar to fear, when they look into your eyes. 4. When talking to a person, do not avoid their eyes. Make eye contact with them and try to keep it at least 75 percent of the time. This will give your Quarry the subliminal sense that the two of you are already in love with each other. Summary of Unrequited - [Review Keypoints and Take-aways] PenZen Summaries, 2022-11-28 The summary of Unrequited: The Thinking Woman's Guide to Romantic Obsession presented here includes a short review of the book at the start, followed by a quick overview of main points and a list of important take-aways at the end of the summary. The Summary of Unrequited, a film released in 2015, is an examination of the human preoccupation with unlovable individuals. These ideas investigate the ways in which romantic obsession affects both the person who is obsessed and the object of their desire, why some people are more prone to stalker behaviour than others, and how to deal with the fallout of love that is not returned. Unrequited summary includes the key points and important takeaways from the book. Unrequited by Lisa A. Phillips Disclaimer: 1. emotionally anchoring for the reader and the couple. Also unlike many other romance flicks, this book attempts to bring in and deal with some weightier real-life issues. The narrative in this book is female-focused as every attention is given to what we know about female readership preferences. Our male hero Gideon is attentive, rich, good-looking, and bonus cherry on top: yes, ladies, he cooks in the kitchen, not just in bed. Eva, and most female readership will resonate with his continual doting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so that the book's title *Captivated By You* is understated and might be better renamed *Can't Live an Hour Without You*. Yes, it's a tongue-in-cheek title, or at least his tongue-in-her-cheek title. The two main characters are Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two professional 20-somethings and painfully needy. Largely, their neediness stems from their abusive sexual pasts. While both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue that holds all chapters together. There is Monday night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, after-work sex, and sex after sex. And yes, this sex starts to wear thin as likely so do the sheets about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another, as even the primal nature of the page garners Gideon's Angelina and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today for a limited-time discount of only 2.99. Summary of Donald Miller's *Hero on a Mission* Milkyway Media, 2022-06-07. Buy now to get the main key ideas from Donald Miller's *Hero on a Mission*. A hero does not live a life of ease and joy because life always brings challenges and difficulties, and try as we might, we can never fully control it. Yet even the sailor that fails to control winds can still harness them. In *Hero on a Mission*, 2022, Donald Miller helps readers pull themselves out of the void, experience a profound sense of meaning, and be the heroes of the lives they wish to live. He reflects on his own journey to find meaning and highlights that living a good life is very much like writing a good story. With determination, discipline, and a positive attitude, we can take control of our own stories without trusting fate to do the work for us because fate is a horrible writer.

Around the World on the Trip of My Mother's Lifetime by Maggie Downs is a poignant memoir that chronicles the author's year-long solo journey across the globe, a tribute to her mother's unrealized dreams. Downs' adventure begins on her honeymoon in Peru, where she and her husband Jason spend their first night on the cold floor of Lima's airport, setting the tone for a trip that is far from conventional. As a journalist, Downs had felt confined by her office life in Palm Springs and was driven to break free and honor her mother, who had sacrificed her own aspirations for her family and was later diagnosed with Alzheimer's disease.
