Kujawa-Holbrook, Karen Brown Montagno, 2009 Pastoral

care is often focused on individual problems but much of what harms and impedes us stems from the larger social maladies at work in our lives This unprecedented gathering of two dozen essays discusses the realities of racism sexism heterosexism ageism ableism and classism prevalent within the church and society in an effort to broaden and inform pastoral caregivers with the knowledge and the skills needed to respond effectively to oppressed and marginalized persons The volumes also help pastors to reflect on the ways their own social location has an impact on their ministries and to gain familiarity with resources available to support pastoral caregivers in a variety of contexts *Care of Souls, Care of Polis* Ryan LaMothe, 2017-07-25 In the fields of pastoral care and pastoral theology there are times when a book signals a paradigm shift This is one such book LaMothe develops a political pastoral theology that is used to examine critically political economic and societal structures and practices In the first part of the book LaMothe argues that care and pastoral care are political concepts which along with the notion of justice can be used as a hermeneutical framework to assess macropolitical and macroeconomic realities

Included in this section is the notion of civil and redemptive discourse necessary for the survival and flourishing of persons and polis The last section of the book examines U S Empire capitalism class classism and other pressing political issues using the hermeneutical lens of care **Spiritual Direction and the Care of Souls** Gary W. Arnold,2023-01-25 Christ comes to and through his people Many consider pastoral visitation antiquated and impractical People seem busier than ever and technology appears to trivialize personal contact As a result personal visits are often reserved only for the gravest of situations Tyler C Arnold argues that pastoral visitation is essential to the pastoral role In Scripture God visits his people to show his personal interest and concern This is seen most clearly in the incarnation Christ's ministry is one of presence But Jesus is not only an example of visitation ministry he is the embodiment of it And in visitation pastors and laypeople continue Jesus's ministry by bringing Christ to the individual in their very place of need Established in strong theological foundations and sensitive to contemporary concerns Pastoral Visitation exhorts pastors to return to this classic method of individual soul care
