workplace writing serves as a resource for teachers who want to go beyond potentially simplistic accounts of writing in the workplace and to provide students with a richer picture of what happens there Workplace Writing will be essential reading for any students pre and in service teachers and researchers with an interest in professional and business discourse and language teaching for specific purposes

Business Discourse Francesca Bargiela-Chiappini, Catherine Nickerson, B. Planken, 2013-07-25 This second edition reviews the field of business discourse centring on the investigation of business language and communication as practice It combines research based discussions with innovative practical applications and promotes debate and enquiry on a range of competing issues emerging from business discourse research and teaching practice

English for academic purposes : learning english through the web Barahona Fuentes, Claudia; Arnó Macià, Elisabet;, 2001 This is a virtual elective course for university students who need to use English in their academic work This means that this subject is not related to a particular degree course engineering biology law etc but it aims to help students develop their language learning skills and at the same time to foster extensive practice in language use with the Internet as the basic learning tool Therefore this is an instrumental course which is essentially practical and emphasizes communication rather than language study It differs from a traditional language course in that it has been designed basically as a tool to help students learn to learn English That is to say the syllabus is not based on specific language content graded in terms of difficulty but it is composed of a series of practical activities to encourage students to learn English effectively and independently by choosing materials suited to their level of English and to their learning style For this reason this course can be taken by students with different levels of English as long as they are familiar with the basic structures of the language and can more or less communicate in English

Somalis in Maine Kimberly A. Huisman, Mazie Hough, Kristin M. Langelier, Carol Nordstrom Toner, 2011-06-07 Lewiston a mill town of about thirty six thousand people is the second largest city in Maine It is also home to some three thousand Somali refugees After initially being resettled in larger cities elsewhere Somalis began to arrive in Lewiston by the dozens then the hundreds after hearing stories of Maine s attractions through family networks Today cross cultural interactions are reshaping the identities of Somalis and adding new chapters to the immigrant history of Maine Somalis in Maine offers a kaleidoscope of voices that situate the story of Somalis migration to Lewiston within a larger cultural narrative Combining academic analysis with refugees personal stories this anthology includes reflections on leaving Somalia the experiences of Somali youth in U S schools the reasons for Somali secondary migration to Lewiston the employment of many Lewiston Somalis at Maine icon L L Bean and community dialogues with white Mainers Somalis in Maine seeks to counter stereotypes of refugees as being socially dependent and unable to assimilate to convey the richness and diversity of Somali culture and to contribute to a greater understanding of the intertwined futures of Somalis and Americans
