They built the first permanent American settlement in St Augustine Florida in 1565. The long and colorful history of Latinos in America comes alive through learning about the missions and early settlements in Florida, New Mexico, Arizona, and California, exploring the Santa Fe Trail, discovering how the Mexican American War resulted in the Southwest becoming part of the United States, and seeing how recent immigrants from Central and South America bring their heritage to cities like New York and Chicago. Guzzetti, 2002-12-02 The definitive encyclopedic resource on literacy, literacy instruction, and literacy assessment in the United States. Once upon a time the three Rs sufficed. Not any more, not for students, not for Americans. Gone the way of the little red school house is simple reading and writing instruction. Surveying an increasingly complex discipline, *Literacy in America: An Encyclopedia* offers a comprehensive overview of all the latest trends in literacy education: conceptual understanding of texts, familiarity with electronic content, and the ability to create meaning from visual imagery and media messages. Educators and academicians call these skills multiple literacies, shorthand for the kind of literacy skills and abilities needed in an age of information overload, media hype, and Internet connectedness. With its 400 A-Z entries researched by experts and written in accessible prose, *Literacy in America* is the only reference tool students, teachers, and parents will need to understand what it means to be and become literate in 21st century America. **The Américas Award** Laretta

Henderson, 2015-12-16 First awarded in 1993, the Américas Award is given in recognition of books that authentically and engagingly portray Latino as in Latin America, the Caribbean, or the United States. By combining both and linking the Americas, the award reaches beyond geographic borders as well as multicultural international boundaries, focusing instead upon cultural heritages within the hemisphere. The Award is unique in that it selects Latino youth literature for classroom use and in that it focuses on the entire Western Hemisphere. Scholars from the fields of literature, education, library science, and theater engage with Latino a Critical Race Theory. *LatCrit* in this ecollection of essays about the Américas Award, the Award winning and honored books, and the contexts in which the books are used.
