to come fly for Susi Air Needless to say the real identities of both myself and my colleagues at Susi Air will remain anonymous in this book I have no doubt that some Susi Air pilots both past and present will know exactly who I really am However to any of those pilots reading this book I do ask that you keep my real identity private much in the same way that I have kept your real identities private in this book All of the stories in this book are real Only the names have been changed
