Dialogues Conversations With My Higher Self:

Dialogues Kenneth James Michael MacLean, 2005-02 Dialogue was written after reading Seth the Conversations with God books Edgar Cayce Kryon and listening to Esther Hicks The very deepest questions concerning the origin of the universe time and consciousness were never answered to my satisfaction So I decided to ask them Astonishingly just like Neale Donald Walsch I too began to receive answers These answers came almost instantaneously in what I call a packet These packets were like information on a data network except that they were always accompanied by a feeling of profound certainty and well being I might have to spend 20 or 30 minutes deciphering the information in these packets and typing the out Then I d read them over and sometimes ai couldn t believe what I had written This book contains answers to questions like What is the origin of the universe What is consciousness What is the Higher Self What is Memory What is Time as well as answers to questions of politics sex the law of attraction and crop circles **The Complete Being** Tami Brady, 2006-01-01 The
