Simon Freeman has just graduated from college and is driving across country in search of a lucrative sales job and the American Dream. Along the way, he is diverted off the path by a storm that leads him back to a small Midwestern town where he had spent the first ten years of his life. After reconnecting with his old friends, he quickly becomes accustomed to an all too familiar lifestyle. Not long after his arrival, a murder rocks the community and Simon becomes convinced that he has been chosen to put an end to a curse and the cycle of tragedies that have plagued the town of Bethel for the past seventy-two years. With the help of a wily old principal named Thelma Harold, he comes to believe that by renovating the local elementary school, he can influence a referendum vote that will restore the values and priorities of a corrupt depraved community that has been overrun by a shrewd businessman named Jack Lawless and a small faction of wealthy landowners. During the renovation, however, Simon unwittingly enters into his own personal journey that takes him from salvation to sanctification. Along the way, a fledgling romance with a young teacher named Hope Wiseman forces Simon to confront the demons of his past and make a choice to either serve himself or Christ. In the end, Simon finds out that simply returning a building to its original condition has far greater societal implications to the eternal welfare for the cursed people of Bethel. **One of Us**

Dan Chaon, 2025-09-23 A playfully macabre and utterly thrilling tale about orphaned twins on the run from their murderous uncle who find refuge in a bizarre traveling carnival from master of literary horror Dan Chaon It's 1915 and the world is transforming but for thirteen year old Bolt and Eleanor twins so close they can literally read each other's minds life is falling apart When their mother dies they are forced to leave home under the care of a vicious con man who claims to be their long lost uncle Charlie the only kin they have left During a late night poker game when one of his rages ends in murder they decide to flee Salvation arrives in the form of Mr Jengling founder of the Emporium of Wonders and father to its many members He adopts Bolt and Eleanor who travel by train across the vast sometimes brutal American frontier with their new family watching as the exhibitions spark amazement wherever they go There's Minnie the three legged lady and Dr Chui who stands over seven feet tall Thistle Britches the clown with no nose and Rosalie who can foretell the death of anyone she meets After a lifetime of having only each other Eleanor and Bolt are finally part of something bigger But as Bolt falls in deeper with their new clan he finds Eleanor pulling further away from him And when Uncle Charlie picks up their trail the twins find themselves facing a peril as strange as it is terrifying one which will forever alter the trajectory of their lives An ode to the misfits and the marginalized One of Us is a riotous and singularly creepy celebration of the strange and the spectacular and of family in its many forms
