Dangerous Offenders Punishment And Social Order

Mark Brown, John Pratt

Dangerous Offenders Punishment And Social Order:

Dangerous Offenders Mark Brown, John Pratt, 2002-01-04 This highly controversial new book considers how the dangerous offender has become such a figure of collective anxiety for the citizens of rationalised Western societies The authors consider ideas of danger and social threat in historical perspective legal responses to violent criminals attempts to predict dangerous behaviour why particular groups such as women remain at risk from violent crime This inspired collection invites us to rethink the received wisdom on dangerous offenders and will be of interest to students and scholars in the fields of criminology and the sociology of Risk

Dangerousness, Risk and the Governance of Serious Sexual and Violent Offenders Karen Harrison, 2012-03-29 Dangerousness Risk and the Governance of Serious Sexual and Violent Offenders is a fully up to date comprehensive and user friendly guide on those offenders who are often assessed as being dangerous Outlining evaluating and commenting on specific methods regimes and strategies for dealing with dangerous offenders throughout each chapter this book begins by considering what a dangerous offender is and providing a brief historical account of how the label has been used for different types of offender over the last three or four centuries The book examines sentencing policy in addition to early and current dangerousness legislation evaluating the available sentences specifically designed for dangerous offenders and assessing their use and appropriateness The role of risk and risk assessment tools is discussed considering what risk assessment is the way in which it works and how over recent times it has become more reliable and valid It looks at the practical realities of how serious sexual and violent offenders are dealt with by the penal system in England and Wales Finally specific offender groups are considered including female offenders children and young people and mentally disordered offenders Each chapter considers whether there are any differences in terms of policy assessment and management strategies when sentencing and managing each distinct group and if not whether any such modifications are required This book will be key reading for students of law criminology social policy psychology and sociology and of interest to criminal justice professionals including the police prison officers probation officers psychologists lawyers and judges

History & Crime Thomas J. Kehoe, Jeffrey E. Pfeifer, 2021-09-15 Revealing the cross utility potential of multiple disciplines to advance knowledge in crime studies History Crime showcases new research into crime from across the interdisciplinary perspectives of early modern and modern history criminology forensic psychology and legal studies

Understanding the Management of High Risk Offenders Hazel Kemshall, 2008-09-16 This is an extremely important and timely book written by a pre eminent scholar in the field Hazel Kemshall has a proven track record not just of exceptional scholarship but equally importantly of engaging effectively with policy and practice Given the damaging synergies between media hype and public insecurities about dangerous offenders the evidence based measured and thoughtful analysis provided in this book provides a vital counterpoint to increasingly punitive and exclusionary discourses around public protection In promoting a more balanced humane and integrative approach to risk the book deserves to influence not just scholars but also

policy makers and practitioners facing the complex challenges of managing risk and dangerousness Fergus McNeill Associate Fellow of the Centre for Sentencing Research Strathclyde University UK High risk offenders have attracted much media policy and practice interest in recent years New legislation and extensive multi agency partnerships have been initiated to improve the assessment and management of these offenders in the community Drawing on a wide range of cross national literature and original research by the author this timely book reviews current approaches to the community management of high risk offenders The book examines in detail a range of risk management techniques including Community protection measures such as sexual offender registration and community notification Restorative and re integrative measures such as Circles of Support and Accountability pro social modelling public health campaigns and environmental risk management approaches Hazel Kemshall argues for a blending of these two approaches to provide risk management interventions for the protective integration of high risk offenders back into the community In addition the book examines contemporary difficulties in risk assessment effective multi agency partnership working and recent policy and legislative initiatives in this challenging area of work Understanding the Management of High Risk Offenders is a vital resource for criminology and criminal justice students and stimulating reading for probation officers social workers police and prison staff among others

The Limits of Criminological Positivism Michele Pifferi, 2021-10-30 The Limits of Criminological Positivism The Movement for Criminal Law Reform in the West 1870 1940 presents the first major study of the limits of criminological positivism in the West and establishes the subject as a field of interest The volume will explore those limits and bring to life the resulting doctrinal procedural and institutional compromises of the early twentieth century that might be said to have defined modern criminal justice administration The book examines the topic not only in North America and western Europe with essays on Italy Germany France Spain the United Kingdom Belgium and Finland but also the reception and implementation of positivist ideas in Brazil In doing so it explores three comparative elements 1 the differing national experiences within the civil law world 2 differences and similarities between civil law and common law regimes and 3 some differences between the two leading common law countries It interrogates many key aspects of current penal systems such as the impact of extra legal scientific knowledge on criminal law preventive detention the dual track system with both traditional punishment and novel measures of security the assessment of offenders dangerousness juvenile justice and the indeterminate sentence As a result this study contributes to a critical understanding of some inherent contradictions characterizing criminal justice in contemporary western societies Written in a straight forward and direct manner this volume will be of great interest to academics and students researching historical criminology philosophy political science and legal history Chapter 2 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Risk in Social Science Peter Taylor-Gooby, Jens O. Zinn, 2006-10-05 Intended for students and scholars from the social sciences this is an

introduction to work on risk It discusses the basic issues in risk research and examines some of the key themes in this field looking at topics such as the media crime the environment and social inequality **The Preventive Turn in Criminal Law** Henrique Carvalho, 2017-04-14 This book presents a theoretical examination of the rise and expansion of preventive criminal offences that has gained momentum in Anglo American criminal justice since the late twentieth century It shows how recent transformations in criminal law and justice are intrinsically related to and embedded in the way liberal society and liberal law have been imagined developed and conditioned by their social political and historical contexts The book starts by identifying a tension within contemporary criminal law between the importance given to the expression of individual autonomy and responsibility and the perceived need for prevention as a condition for the security of autonomy and the promotion of welfare The book then traces this tension back to an intrinsic ambivalence within the modern conception of individual liberty which is both repressed and preserved by liberal conceptions of responsibility and punishment It finds that it is this tension that ultimately grounds the rise of preventive criminal offences in recent times The Preventive Turn in Criminal Law engages with the main contemporary literature on criminal law prevention risk security and criminalisation by deploying a theoretical perspective from both classical and contemporary works of social and political theory including the works of Hobbes Locke Hegel and Bentham It does so in order to reveal that the pervasiveness of prevention in twenty first century criminal law not only represents the consequence of new and unprecedented features of contemporary politics and society but also embeds long established features of the liberal legal and political tradition *Managing Persistent and Serious Offenders in the Community* Robin Moore, Emily Gray, Colin Roberts, Emily Taylor, Simon Merrington, 2013-06-17 Over the last few years intensive community programmes for both young and adult offenders have become established in the UK as an important new component of penal policy the ISSP Intensive Supervision and Surveillance Programme for persistent and serious young offenders and the ICCP Intensive Control and Change Programme for adult offenders Expectations of these programmes have been high but the evidence relating to their effectiveness is mixed and a number of critical concerns have emerged This book seeks to address these issues providing a timely review of the current literature and presents findings of a recent national evaluation of ISSP Emerging lessons for future penal policy are presented and set within a wider theoretical context The book concludes by stressing the need for greater realism and further evidential support if such programmes are to gain long term credibility and also to consider the appropriateness of differing forms of targeting as well as the emphasis placed on the various methods of surveillance Crime and Security Lucia Zedner, 2017-07-05 The pursuit of security is now central to the development of public policy and a driving force behind the spread of private policing Just as new theoretical frameworks are needed to deal with the increasing tendency of crime control policies to focus on risk reduction new forms of governance are also required to deal with the rapid growth of the private security industry This volume brings together a wide range of contributions from leading scholars in the field and includes international and comparative perspectives on the challenges

posed by the rise of the security society **Security and Human Rights** Benjamin Goold, Liora Lazarus, 2007-06-07 In the wake of the events of September 11th the task of reconciling issues of security with a respect for fundamental human rights has emerged as one of the key challenges facing governments throughout the world Although the issues raised by the rise of security have been the subject of considerable academic interest to date much of the debate surrounding the impact of security on human rights has taken place within particular disciplinary confines In contrast this collection of essays from leading academics and practitioners in the fields of criminal justice public law international law international relations and legal philosophy offers a genuinely multidisciplinary perspective on the relationship between security and human rights In addition to exploring how the demands of security might be reconciled with the desire to protect established rights *Security and Human Rights* offers a fresh perspective on the broader legal and political challenges that lie ahead as states attempt to control crime prevent terrorism and protect their citizens

Recognizing the artifice ways to acquire this books **Dangerous Offenders Punishment And Social Order** is additionally useful. Dangerous Offenders Punishment And Social Order Introduction

In the digital age, access to information has become easier than ever before. The ability to download Dangerous Offenders Punishment And Social Order has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dangerous Offenders Punishment And Social Order has opened up a world of possibilities. Downloading Dangerous Offenders Punishment And Social Order provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dangerous Offenders Punishment And Social Order has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dangerous Offenders Punishment And Social Order. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dangerous Offenders Punishment And Social Order. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dangerous Offenders Punishment And Social Order, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Dangerous Offenders Punishment And Social Order has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Dangerous Offenders Punishment And Social Order Books

1. Where can I buy Dangerous Offenders Punishment And Social Order books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Dangerous Offenders Punishment And Social Order book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
