Anderson, 2010-02-01 Too often Christ followers are content to live inside the church walls with other Christians Jesus calls us to shatter our comfort zones and dangerously share the love we have found in him with people whose lives are characterized by brokenness self sufficiency emotional poverty and rejection Discipleship is the process of intentionally and thoughtfully introducing the grace of Jesus to these people so that their hearts will bulge with love their souls will brim with life and their faces will brighten with light as they come to intimately know him How is this accomplished In these pages unbelievers who became disciples of Christ reveal what factors influenced them to follow Jesus The research revealed that discipling is an intentional process that is most effective when our lives reflect the character of Jesus The author explains discipleship as a relational process that can be understood and effectively accomplished by virtually any follower of Jesus
