Danielle Steel List:

A Woman's Place Danielle Steel, 2026-04-21 An exciting new novel from Danielle Steel whose countless 1 New York Times bestselling novels have made her one of America's favorite storytellers

Changes Danielle Steel, 1983 Top TV anchorwoman Melanie Adams had given up on love after a failed marriage and an unhappy affair. With her two teenage children and her television news career, she had no room in her life for a man. Then she met famous heart surgeon Peter Hallam, a widower with three children of his own. Suddenly, Melanie was experiencing feelings she thought were gone forever. But two families, one in New York and one in Los Angeles, two exciting careers and two strong-willed people were too much to handle. And Melanie faced a painful choice between her glamorous life in the public eye, her private life, the needs of her family, and the new family she took on. *Changes* leads each of them to new places, new problems, new people, and the new life they begin.

The Butler Danielle Steel, 2021 The moment the plane touched down at Ministro Pistorini Airport in Buenos Aires, Joachim von Hartmann knew in every fiber of his being that he was home. It was almost as if his heart and soul, and even his body, knew it. He had left as a boy of seventeen, twenty-five years before, when he moved to France with his mother and new French stepfather. Eight years later, he went to England on a lark, which turned into a worthy career for the past seventeen years. His roots are now firmly planted in Europe, but he realized as he breathed the air of Buenos Aires that his heart had remained here.

Matters of the Heart Danielle Steel, 2010-05-25 In this spellbinding blend of suspense and human drama, Danielle Steel tells a powerful and unusual story of one woman's journey from darkness into light as she fights to escape a mesmerizing sociopath who holds her in his thrall. Top photographer Hope Dunne has known joy and heartbreak and finds serenity through the lens of her camera. Content in her SoHo loft, she isn't looking for a man or excitement. But these things find her when she flies to London to photograph one of the world's most celebrated writers. Finn O'Neill exudes warmth and a boyish charm. Enormously successful, he is a perfect counterpoint to Hope's quiet, steady grace, and he's taken instantly by her. He courts her as no one ever has before, whisking her away to his palatial, isolated Irish estate. Hope finds it all, and him, irresistible. But soon cracks begin to appear in his stories, gaps in his history, a few innocent lies and bouts of jealousy unnerve her. Suddenly, Hope is both in love and deeply in doubt, and ultimately frightened of the man she loves. Is it possible that this adoring man is hiding something even worse? The spell cast by a brilliant sociopath has her trapped in his web, too confused and dazzled to escape as he continues to tighten his grip on her. Danielle Steel delivers an unforgettable tale of danger and obsessive love as she explores the dark secrets that sometimes lurk just below the surface of ordinary lives, writing about men and women and their courage to prevail even in the face of evil.
