The Forbidden Book of Getting What You Want - Make the World Your Banquet Starting with a Simmering Stew of Ambition J. K. Ellis,2007-12-01 The most direct irreverent and devious self improvement book on the market There is nothing pretty about this book It s about doing what it takes to get what you want Whether you want to get rich get laid or get even or anything else this book will give you the straightforward insight and knowledge to do it This is not a white lighters book of manifestation but a down and dirty no holds barred grimoire designed to set your brain in a fixed direction toward your goal Sometimes it takes all the subtlety of a sledgehammer of get the point across and that is why The Forbidden Book of Getting What You Want was written Warning The Forbidden Book of Getting What You Want is a trap Once you read it you can t un read it Mind Control 101 - How to Influence the Thoughts and Actions of Others Without Them Knowing Or Caring J. K. Ellis,Dantalion Jones,2011-09-12 Why would someone write a book on Mind Control Because as much as we try to elevate ourselves above being human animals we are in fact animals We are subject to the wants and desires of any being with a genome and vertebrae To rise above that is an admirable and a task we should take on as a worthy spiritual endeavor But to deny that we are truly animals is to lie to ourselves We must deal with people who may not be so enlightened advanced as we are They may desire what we have and be secretly filled with envy and contempt The worst event is to have these suspicions fulfilled and then be pulled down into the politics of man Do we deny that it s happening and hope others will be touched by our honesty and good will enough to change Or do we drop our highest spiritual ideals and play their game I would like to suggest a radically different strategy Take the game of manipulation and Mind Control and make it a part of your spirituality
