Dante Alighieri Divine Comedy Divine Spirituality The Crossroad Spiritual Legacy Series

Robert Royal

Dante Alighieri Divine Comedy Divine Spirituality The Crossroad Spiritual Legacy Series:

Dante Alighieri Robert Royal, 1999 A commentary on medieval Catholic poet Dante Alighieri's long poem The Divine Comedy an account of a man's spiritual pilgrimage to God *Tracing the Trails in the Medieval World* Albrecht Classen, 2020-10-11 Every human being knows that we are walking through life following trails whether we are aware of them or not Medieval poets from the anonymous composer of Beowulf to Marie de France Hartmann von Aue Gottfried von Strassburg and Guillaume de Lorris to Petrarch and Heinrich Kaufringer predicated their works on the notion of the trail and elaborated on its epistemological function We can grasp here an essential concept that determines much of medieval and early modern European literature and philosophy addressing the direction which all protagonists pursue as powerfully illustrated also by the anonymous poets of Herzog Ernst and Sir Gawain and the Green Knight Dante's Divina Commedia in fact proves to be one of the most explicit poetic manifestations of the fundamental idea of the trail but we find strong parallels also in powerful contemporary works such as Guillaume de Deguileville's *Plerinage de la vie humaine* and in many mystical tracts **Dante Studies, with the Annual Report of the Dante Society** Dante Society of America, 2000

American Book Publishing Record, 1999 *The Living Church*, 1999 *Bernard of Clairvaux* Dennis E. Tamburello, 2000 This book introduces readers to the essential writings of Bernard of Clairvaux a Cistercian monk who was famous in his own time as theologian statesman and mystic **Crisis**, 2000 A journal of lay Catholic opinion

Bonaventure Zachary Hayes, 1999 The life ideas and selected writings of one of the greatest mystical philosophers of all time St Bonaventure 1221-1274 is known as the Seraphic Doctor in honor of one of the basic qualities of his teaching the purest love He left us with a treasury of classic writings of philosophical mysticism that explored the ascent of our minds and souls to God *John of the Cross* Kieran Kavanaugh, 1999 St John of the Cross is one of the greatest mystics of the West He lived in the 16th century in Spain was monk reformer and best known for *Dark Night of the Soul* and his deep friendship with St Teresa of Avila St John is considered one of the most important poets of the Spanish language *The Catholic Library World* John M. O'Loughlin, Francis Emmett Fitzgerald, 2000
