LORRAINE,2020 **Losing the Forbidden** Tracy Lorraine,2024-02-28 Craving her was wrong losing her was a necessity. What we had was real but it's over. Ancient history. She was under my skin but I was under her dad's roof. He warned me to stay away but I couldn't. We risked everything and I lost it all to protect us both. Now I'm empty and it's all too clear what's missing. Or rather who. None of the women who warm my bed can ever fill the void inside my shattered heart. That belongs to one person alone. My step sister. I never gave up hope that we'd get our second chance. One phone call changes everything and I'm about to claim what's rightfully mine. **Losing the Forbidden** is the emotional second installment of Tracy Lorraine's new spinoff trilogy of her **Falling** series. **Stepbrother Bastard** Colleen Masters,2015-07-15 It started off as a dare, a harmless one night stand with a complete stranger. He was just another badboy I met in a bar, a harmless fling to start my summer vacation. One unbelievable night of sex and I'd never have to see him again. But the next morning as I pull up to the lake house my mom has rented for the summer, I get the feeling my world is about to crumble. It was just supposed to be us girls, me, my two sisters and Mom, but we're not alone. Apparently my mom's old high school sweetheart John owns the house and he has three sons all around the same age as me and my sisters. And they thought it would be a great idea to put us all together under the same roof for four weeks. We'll have to share bedrooms, walls, sit down for family dinners and suffer through a million other forced awkward, sexually confusing family activities. I'm sure. And then I realize my mom's new boyfriend has a son, a little older than me. I see him barreling toward me on a 4 wheeler, a lit cigarette between his lips, strangely familiar tattoos on his muscular forearms and chest. As he gets closer, I'm filled with dread as I begin to realize who he is, but he isn't slowing down. The fucking prick nearly runs into me. As he takes off his helmet, I'm instantly filled with horror and an undeniable twinge of excitement between my legs. It's him. The man who took me last night, used me every which way, stretched me more than any man I've ever been with before and now he's ignoring me, acting like he's never seen me before in his life. I have a feeling it's going to be a fun summer. This Contemporary New Adult Stepbrother Romance Novel is the first book in the three book Hawthorne Brothers series. The ending is HFN. The book contains harsh language, sexual content and adult situations that may offend some readers. [Based](#) B. B. Hamel,2015-08-17 I can't stop falling for my daredevil stepbrother Lincoln.
