Daring To Speak Love's Name A Gay And Lesbian Prayer :

Daring to Speak Love's Name Elizabeth Stuart, 1992-01 Deprived of a liturgical language gay and lesbian Christians have remained a largely invisible constituency silent and disempowered This inspirational collection of prayers blessings and liturgies challenges and celebrates people everywhere and provides hope for an end to prejudice hostility and indifference

Queering Christian Worship Bryan Cones, 2023-11-21 A groundbreaking collection of writings that place queer ritual at the center of the theological conversation In this collection of essays leading scholars in queer theology and liturgical studies explore the ways in which the distinctive theological voices of LGBTQIA Christians challenge and expand thinking and practice around worship in new directions This challenge has expanded in the past decades as obstacles to the full participation of queer Christians particularly in marriage and ordination have fallen Organized into three main parts the volume begins with an introduction to queer engagement with ritual practices continues with a series of case studies that examine queer texts and contexts and concludes with an examination of the horizons of queer liturgical theology and practice Throughout the volume *Queering Christian Worship* provides new imagination and tools to those who study and curate Christian worship across traditions

Marriage After Modernity Adrian Thatcher, 1999-09 For most Christians marriage is considered a sacrament created and uniquely blessed by God Yet the theology of marriage rarely matches the actual experience Marriage is too often a violent loveless institution and it is increasingly delayed avoided or terminated *Marriage After Modernity* offers new hope for Christian marriage at a time of unprecedented social and theological change It provides an unreserved commendation of Christian marriage reaffirming its status as a sacrament and institution of mutual self giving At the same time it breaks new ground It draws on earlier traditions of betrothal and informal marriage to accept some forms of pre marital cohabitation and provides a new defense of the link between marriage and procreation by sketching a theology of liberation for children Chapters shed new light on divorce and legitimate theological grounds for the parting of the ways contraception and the question of whether marriage is a heterosexual institution Particular attention is paid throughout the book to overcoming the androcentric bias of much Christian thought and the distorting effect it has had on marriage *Marriage After Modernity* argues for a vision of marriage which does not abandon its history and which draws upon its premodern roots to grapple with our current social cultural and intellectual upheavals

Liturgy with a Difference Stephen Burns, Bryan Cones, 2019-05-30 Christian churches in recent decades have taken some steps in their practices of liturgy and worship toward acknowledging the graced dignity of human variety But who is still excluded What pernicious norms still govern below the surface and how might they be revealed How do texts gestures and space abet and enforce such norms How might Christian assemblies gather multiple expressions of human difference to propose through Christian liturgy patterns of graced interaction in the world around them *Liturgy with a Difference* gathers a broad range of international theologians and scholars to interrogate current practices of liturgy and worship in order to unmask ways in which

dehumanizing majoritarianisms and presumed norms of gender culture ethnicity and body among others remain at work in congregations Together the chapters in this collection call for a liturgical practice that recognizes and rehearses the vivid richness of God's image found in the human community and glimpsed if only for a moment in liturgical celebration They point a way beyond mere inclusion toward a generous embrace of the many differences that make up the Christian community With contributions from Rachel Mann Teresa Berger Susannah Cornwall Miguel A DeLa Torre Edward Foley W Scott Haldeman Michael Jagessar Bruce T Morrill Kristine Suna Koro and Frank Senn Foreword by Ann Loades

Sex These Days Jon Davies, Gerard Loughlin, 1997-06-01 What has been lost what has been gained in replacing sexual orthodoxy with the heresies of postmodern sexualities In the recent past even within living memory sex has usually been a matter of monogamous heterosexual marriage and the procreation of children Other sexual practices were seen as deviations from the patriarchal norm Today things are different and western liberal societies promote and celebrate a growing multiplicity of sexual familial and procreational practices and relationships Nine writers assess the directions in which our societies are being led

Religion is a Queer Thing Elizabeth Stuart, 1997 The last ten years have witnessed a sea change amongst lesbian gay bisexual and transgendered Christians Many are no longer content to beg a place at the pre-existing table of the institutional Churches Rather they have found a new confidence in their ability to define their own experience and think theologically about it Queer theology is emerging as a distinctive radical and

explosive theological tradition of which all in the churches will eventually have to take notice This theology exposes the heterosexist thought patterns and assumptions that underlie many Christian doctrines and practices and rescues parts of the tradition helpful to queer Christians which may have been lost along the way Most importantly of all it fashions Christian theologies untainted by homophobia and heterosexism This book makes queer theology available and accessible to a general reader and encourages the reader to become part of the ongoing development of this theology It is aimed primarily at queer people who are either new to Christianity or those who are interested in reflecting upon their Christian faith from a queer perspective It is a study guide which can be used by groups and by individuals and contains exercises and liturgies as well as explanations of queer theology Subjects covered include the bible salvation Christ body theology God the church death and ethics Christian lesbian gay bisexual and transgendered support groups churches individuals
