Historical Dictionary of the British Monarchy Kenneth J. Panton, 2023-10-15 The foundations of the British monarchy date from the era more than a millennium ago when Anglo Saxon Celtic and Viking peoples competed for dominance Early sovereigns exercised near absolute power but over time that authority dwindled as the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political control and territorial aggrandizement combined to promote change The strengths and weaknesses of rulers such as William the Conqueror Henry VIII Elizabeth I and Mary Queen of Scots and Queen Elizabeth also contributed to the evolution of the monarchy and are documented here Historical Dictionary of the British Monarchy Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries that cover significant events places institutions and other aspects of British culture economics politics and society This book is an excellent resource for students researchers and anyone wanting to know more about the British monarchy

Lives of England's Reigning and Consort Queens H. Eugene Lehman, 2011-10-13 This book Lives of Reigning and Consort Queens of England Englands History

through the Eyes of its Queens is a factual narrative on lives of Norman Plantagenet Tudor Stuart Hanover and Windsorqueens covering a millenium of English History The biographical portraits start at the close of the Dark Ages with the Norman Conquest of 1066 and continue to Modern Time in the life of present Queen Elizabeth II This narratiiev of fifty short chronologicalbiographies gives a view ijnto life and courtly customs from an age far removed from the present toward the way of life we know today Through the lives of these women one sees Englands history unroll Although the narratives are brief they bring individuals to life withoutjudgmental prejudice as unique personalities One of the fifty personalities 7 were reigning queens 38 were queen consort wives of moonarchs and 5 were wives of favorites who did not reign but who played a significant role during the life of a ruling king This sample of wo0men on the throne or close to the throne is too large to expect any single quality can characterize them all Some served as exemplary reigning queens or as consorts whom actively supported a sovereign husband or son Some assertively played the part of regent as a significantr power behind the throne Some infliuenced historic events forr elieigious reasons Many avoided political involvement but ahd great influemnce on culture and custom Some had personal qualities that made them inherently interesting and desetrving of friendship A relatively small number of the queens were entirely unsuited to be queens Some queen consorts resisted familiarity and remain enigmatic effigies Some were apwns manipulated by historic events of the time and deprived them of opportunity to elave a personal mark of hsitory Others served chiefly as supportive mothers and wives
