The Darker Side of Samuel, Saul and David G. D. Vreeland, 2008-07 Now the sequel Here we watch David become king over Israel But the table is set for a rather unappetizing meal where brutality intrigue and questionable morality and ethics are served We see the turning point and the decline of David s power and possibly his virtue Like so many in biblical narrative he does not end well Leaders take warning integrity matters How we respond to God s rules of engagement and how we treat others especially the disenfranchised will determine the difference between greatness and mediocrity and how our lives will be evaluated As with the previous volume this book can be utilized as a commentary and an aid to the student of Second Samuel or each section can be read and reflected upon in isolation I will continue my efforts to be personable but professional playful but pointed impassioned at times but always thought provoking Dr Vreeland received his Ph D from Trinity International University in Theological Studies Old Testament in 1994 He served for four academic years at the Nairobi International School of Theology He then joined the faculty of Northwest Baptist Seminary Tacoma Washington and has concluded eight years there July 08 as Associate Professor of Semitic Languages and Biblical Literature He teaches Hebrew Aramaic and English Bible and related topics So far as the Church is concerned his love is serious biblical study as related to integrity and leadership hence this work on Second Samuel and its prequel on First Samuel Dr Vreeland has been married for 27 years to the love of his life Donna who is still the finest English Bible scholar on the planet and to whom this volume is gratefully dedicated They have three grown children

Testimonies From The Darkside:

Volume 1 Earl Pickett, 2017-02-14 If there was a fight going on Jeremiah was at the center of it If there was someone his gang needed to be taken out he was ready to be a part of it His life was getting worse and worse and soon he became addicted to the same drugs that he was selling After making sure that the bullet was in place this time Johnny re pointed the gun to the back of Luke s head and pulled the trigger The recoil of the gun sounded like a cannon Blood was everywhere Luke s body went limp and Johnny casually walked away to reclaim the prize he thought a man s life was worth A shiny new Ford Mustang Later that night three men came by looking for Max When they realized that he wasn t in and that he left Mark guarding his hidden stash of drugs they decided to beat the information out him Mark refused to tell them where the drugs were and the three men beat him badly They would have most likely killed him if it wasn t for the unbelievable happening Right in the middle of beating Mark the three men started arguing and fighting with each other and left the house After staying in the psychiatric ward for only eight months or so Byron s efforts paid off He was released to a halfway house Unfortunately for him this was the place where his life would continue to spiral further downward and eventually out of control Robber Rapist Gang banger Prostitute Murderer Can these people find salvation forgiveness and freedom from God For too long Church going Christians have portrayed themselves to others as good people who come from good families But Jesus didn t come to save good people from good families He came to save sinners The Testimonies from the Darkside series was written for the purpose of reminding people in and out of the Church that Jesus main purpose for coming to this world and dying on the cross was to save people from their sins and to deliver them from the power of Satan and bring them into the Kingdom of God
