

IN MEMORY OF MY DAD IN HEAVEN

**If I could write a story
It would be the greatest ever told
Of a kind and loving father
who had a heart of gold**

**I could write a million pages
but there's one thing I would say,
just how much I love and miss
him every single day**

**I know he always loved me,
I may be hurt, but I won't be sad
I know he'll send down the answers
because he'll always be my Dad.**

Amos and the Cosmos Alan Schwartz,2010-03-09 Born with a passion to feel the breath behind Americas

handwritten words of old Amos discovers an inscribed photo in the attic of his childhood home that leads him to doubt his Jewish dad's heritage. So starts Amos' memoirs, a rollicking journey through the heart of America. His search for some truth in the universe is propelled by meeting his mentor Ben, a savvy and astute observer of human folly who introduces Amos to the Cosmos, where all creativity lives. Amos' journey takes him from childhood into manhood through the tumultuous decades of the fifties and sixties as he experiences the struggle of African Americans for civil rights, the Beat generation, Vietnam, and Haight Ashbury, all in search of the threads that connect the fabric of his life to the rest of the world. He reflects on religion, family relationships, love, war, and country amidst the historical America that has captivated him, exposing the core of his extraordinary soul along the way. Amos and the Cosmos is an insightful view of Americana through Amos' eyes, a journey filled with humor, tenderness, and pathos.

FATHER TO THE FATHERLESS Myama Myowne, 2010-04-19
Thousands of children and teenagers in the United States are growing up in homes where one or both biological parents are missing in action. The results of absent parents are far reaching and truly devastating for the future of our homes and our families. Myama Myowne knows this fact all too well. She's lived it. She's experienced the impact. And she has a testimony that she wants to share. The truth of not having her father around when she needed him was painful. But God had other plans for her future. It included giving her the opportunity to see Him as the Father she never had and also gave her the ability to see the substitute father figures that He brought into her life at critical times in her development as the fathers she needed as well. The book you hold in your hands tells the story of what happens when God intervenes and changes the future. It not only tells Myama's story. It also shows the important role we all play in changing the present realities of many youth that need the love of one or both parents that may be missing from their lives. This much needed book is meant to make a difference in the climate of our families, neighborhoods, and cities.

Glimpsing Heaven Martin A. Lopez, 2021-08-03
The author Martin A. Lopez self is a late in life father who wondrously transformed when his children arrived in his life. He changed from a compassionless pawn of the polluters' oblivious consumer part of the throw away culture, suffering from severe nature disconnect and blind to the environmental devastation happening to humanity. Through his children, he became filled with a mountainous emotional connection with them and ultimately to humanity and nature. At the same time, he became inspired to take action to fight for nature. This journey of metamorphosis includes poems, personal essays about nature, and an analysis about solutions. He candidly identifies the villains and saints destroying our children's future and gives us a moral and a scientific perspective. He provides a poetic approach for our teachers to educate about the environmental disaster. He further provides an understandable approach to saving our planet. Glimpsing Heaven is an inspired father's unique portrait of parenthood, eye opening love, and the world's environmental challenges.
