The Calloway Summers Collection: Fireflies in December / Cottonwood Whispers / Catching Moondrops Jennifer Erin Valent, 2019-01-08 This

collection bundles three of Jennifer Erin Valent's 20th century historical romance novels into one e book for a great value

Fireflies in December 2010 Christy Award winner Jessilyn Lassiter never knew that hatred could lurk in the human heart until the summer of 1932 when she turned 13 When her best friend Gemma loses her parents in a tragic fire Jessilyn's father vows to care for her as one of his own despite the fact that Gemma is black and prejudice is prevalent in their southern Virginia town Violence springs up as a ragtag band of Ku Klux Klan members unite and decide to take matters into their own hands As tensions mount in the small community loyalties are tested and Jessilyn is forced to say good bye to the carefree days of her youth *Fireflies in December* is the 2007 winner of the Christian Writers Guild's Operation First Novel contest and a 2010 Christy Award winner

Cottonwood Whispers In this sequel to Jennifer's award winning debut novel *Fireflies in December* Jessilyn Lassiter and her best friend Gemma Teague have survived prejudice and heartache in their lifelong friendship but the summer of 1936 threatens to tear them apart yet again Gemma's job with the wealthy Hadley family leads to a crush on their youngest son But Jessilyn's insistence that he's no good and that no rich white man would ever truly fall for a poor black girl like Gemma puts them at odds Tragedy strikes when Jessilyn's cherished neighbor girl is hit by a car and killed Things get worse when an elderly friend is falsely accused of the crime and the only way to clear his name is to put her family's livelihood in jeopardy For Jessilyn this is a choice too hard to bear and she wonders where to turn for answers especially when an angry mob threatens vigilante justice

Catching Moondrops Jessilyn Lassiter no longer has to convince people she's not a child Having just turned 19 in the summer of 1938 her love for Luke Talley has never been more real And Luke is finally beginning to care for her in the way she's always dreamed of But their budding romance is interrupted when Tal Pritchett a young black doctor comes to Calloway stealing the heart of Jessilyn's best friend Gemma and stirring up the racial prejudice that has been simmering just beneath the town's surface The tension starts to bubble over when Jessie's elderly neighbor Miss Cleta becomes the first white towns person to accept Tal's treatment And when a young black man is lynched Calloway is brought to its knees once again as Jessilyn realizes that her anger can make her heart as full of hate as the Klan members who have terrorized her town and her family

Curvy Girls Can't Dance Kelsie Stelting, 2023-07-10 The strongest bodybuilder in Emerson isn't a match for my focus Emerson Dance is one of the most prestigious dance companies in the country And I got kicked off the team right before nationals because my curves don't fit Not their idea of a perfect dancer's body and definitely not their costume I'm going to enter the competition on my own and show them that every body is a dancer's body It will mean practicing in the gym with the bodybuilders but I can shove my nerves and my attraction to Carter McCormac aside long enough to win My reputation and my future depend on it If you love girls who buck the rules and guys strong enough to lift them up you'll love *Curvy Girls Can't Dance* a standalone romance in *The Curvy Girl Club* Grab your copy and fall in love today

Thunder in the Mountains Craig K. Collins, 2014-10-23 In this beautifully written and powerful memoir author Craig K Collins ushers readers down a remarkable path one that wends from the American frontier

to present day suburbia Along the way he explores the meaning of a history of his family s and his country s that is infused with the culture of the gun Stops include an Indian massacre at Bad Axe the siege of Vicksburg the slaughter of buffalo in Montana and the discovery of gold in a remote Nevada canyon The story begins on a hunting trip Collins took with his father and brothers in the early 70s when he was accidentally shot with a high powered deer rifle at the age of 13 near the top of an isolated peak in Northeastern Nevada He tells a personal story of a childhood in Idaho and Nevada where hunting is a way of life and guns are revered often with fatal and unintended results He recalls friends past and present whose lives have been forever shattered or altered by the explosive force of a bullet *Buryin' Daddy* Teresa Nicholas,2011-02-24 A descendant of Lebanese Catholic immigrants on her father s side and Baptist sharecroppers on her mother s Teresa Nicholas recounts in *Buryin Daddy* a southern upbringing with an unusual inflection As the book opens the author recalls her charmed early childhood in the late 1950s when she and her family live with her grandparents in a graceful old bungalow in Yazoo City Mississippi But when the author is five her eccentric father secretive penurious autocratic hoarding moves his growing family into a condemned duplex nearby Separated from her beloved grandmother and chafing under her father s erratic discipline the girl longs to flee from the awful decrepit house When she s a teenager she and her father find themselves on conflicting sides of the civil rights movement and their arguments grow more painful until a scholarship to a northeastern college provides the means of her escape Two decades later Nicholas has built a successful career in book publishing in New York When her father dies suddenly she returns to Mississippi for the funeral and to spend a month in the hated duplex as her mother comes to terms with her husband s passing But as she sorts through the strange detritus of her father s life the author comes to understand that he was far more complex than the angry man she thought she knew And as she draws closer to her surprisingly resilient mother affected by stroke but full of blunt country talk she finds that her mother is also far from the na ve helpless creature she remembers Through a series of surprising and oddly humorous discoveries the author and her mother will begin to unravel her father s poignant secrets together in this graceful and generous exploration of the intermingling of shame and love that lie at the heart of family life **Gus** Rose McClimon Hamlin,2010-08-27 A life changing journey in a story of love Gus was an appaloosa gelding that became a part of my family when I was five years old Full of mistrust fear gripped his life making it hard to trust any human He was dangerous kicking and biting even bucking off most of his riders Gus couldn t be trusted Slowly through the years a love grew Gus and I shared a bond so strong it changed our lives forever This is an adventurous story of learning to love learning to give and learning how to say good bye
