Dancing With Rick My Spiritual Awakening:

Dancing With Rick Christine Anne Linnane, 2012-05-01 Dancing with Rick is the story of Christine Linnane's spiritual awakening at age 40 after losing a beloved friend from college. Shortly after his death she began to notice Rick's presence around her which led her to have her first reading with a psychic medium. From there she embarked on a healing journey. She learned to meditate, create powerful affirmations, and listen to her soul. She explored her past lives, attended mind-blowing sessions, and trained in Reiki. Intrigued by her ability to communicate directly with spirits on the other side, she studied mediumship with teachers in the United States, Ireland, and England, making friends and having adventures along the way. She is passionate about helping people connect with their departed loved ones. **The Long Accomplishment** Rick

Moody, 2019-08-06 A moving, funny, hauntingly brilliant memoir about marriage. Caroline Leavitt, *The San Francisco Chronicle*. Rick Moody, the award-winning author of *The Ice Storm*, shares the harrowing true story of the first year of his second marriage in this eventful month-by-month account. At this story's start, Moody, a recovering alcoholic and sexual compulsive with a history of depression, is also the divorced father of a beloved little girl and a man in love. His answer to the question "Would you like to be in a committed relationship?" is fully and for the first time in his life, "Yes." And so his second marriage begins as he emerges humbly and with tender hopes from the wreckage of his past, only to be battered by a stormy sea of external troubles, miscarriages, the deaths of friends, and robberies, just for starters. As Moody has put it, this is a story in which a lot of bad luck is the daily fare of the protagonists, but in which they are also in love. To Moody's astonishment, matrimony turns out to be the site of strength in hard times: a vessel infinitely tougher and more durable than any boat these two participants would have traveled by alone. Love buoys the couple, lifting them above their hardships, and the reader is buoyed along with them. [Uncage Eden: A Spiritual Philosophy Book about Food, Music, and the Rewilding of Society](#) DJ

Rankin, 2018-11-20 Our planet is in peril. Our species is in captivity. We alone hold the key. We have become disconnected from the love song of our living planet, and as a result, she has become severely out of balance as she spirals through her evolution. It is not beyond our power to regain a harmonious relationship with our plentiful Mother Earth, and as we reweave the web of symbiosis we were born with, humanity may once again experience a life without limitation. We are meant to be integral components of the wild, not slaves of the systematic destruction of it, and as the veil of our incarceration is lifted, we will rise to the occasion of tearing down the walls that contain us. This is the story of one water protector's path to understanding his struggle to find what it means to live in a good way and the incredible world that his adventure reveals along the journey. From rattlesnakes to frybread to space dust to space funk, the music of the universe has a most compelling story to share, and as we ride the wave of this fundamental vibration, we become enlightened to the astounding complexity of creation. We are the dreamers, we are the creators, we have the ability to manifest our own reality as we travel throughout this material existence, and it is up to us to believe in the abundance of tomorrow. We have become lost in a cloud of fear as we insist on

imagining the worst possible outcomes for our children's future. The powers that be are attempting to subdue our awakening but we are emerging from this nightmare and rediscovering the true nature of the spirit within. Life is meant to be lived every moment is meant to be cherished and you are meant to be you. The language of human supremacy has convinced us that we are powerless but we alone hold the key to unlocking the cages of our planet and as we shed this illusion of scarcity the magic of the garden will once again be free to bloom. And we're gonna make the best late night snacks. Also available in print form at lulu.com

Dancing with Destiny Jill Austin, 2007-05-01 Too often Christians drift from the creativity that is a vital part of everyday living. This can lead to discouragement in the valleys and shortsightedness on the mountaintops. Visionary and prophetic leader Jill Austin invites readers to take a closer look at the promises of destiny. No heart is truly fulfilled until it is awakened to Jesus's love and his call to save the lost. *Dancing with Destiny* helps readers discover their deepest dreams, follow the Holy Spirit to the heart of Jesus and move in divine strategies. With inspiring personal examples and unusual insight into the lives of biblical dreamers, lovers and warriors, Austin shows readers how to use their God-given creativity and authority to move in spiritual power.

Killing Love Rebecca Poulson, 2015-09-01 This powerful unforgettable and uplifting story is one part wrenching family memoir and one part inspirational journey towards healing and forgiveness but most of all it's an unputdownable journey through one family's tragedy and how they refused to let it define them. On the day of Rebecca Poulson's 33rd birthday her father, niece and nephew were murdered. The murderer had been part of her family, her brother-in-law. Neung, the father of the children, *Killing Love* is Rebecca's journey through homicide, grief, the police investigations, the media interest, the court cases, the moments of great despair and the healing. It is a story of individual tragedy and a family's strength but it is also a story of a community's attitude to family violence. As a reluctant warrior for those who cannot speak for themselves, Rebecca talked to the NSW State Premier and politicians on multiple TV shows and to print journalists in the hope that the mistakes made by the police force, DOCS, the legal system and solicitors will never be made again. Rebecca's contact with policy makers has been nothing short of history making and her story has directly influenced domestic violence laws in the state. Neung left a note for Rebecca's family; he hoped that he would destroy them. This is the story of how he didn't.

Awakening: Our Soul Journeys The Aquarian Team, 2016-09-23 In our first book we shed some light on subjects that presently affect societies around the world such as politics, education, the economy, art, the role of women and so on. We didn't talk about ourselves. In this book we want to touch your heart and take you on our personal journeys, our souls' journeys as we reached a point in life when we questioned the purpose of our existence when we felt there had to be more than merely eating, sleeping, working, raising a family and acquiring possessions. Of course all of these are important but a part of us remained dissatisfied, thirsty and ready to explore other realms of our being. So we each embarked on a quest leading up the mountain of our soul and spirit. Our paths towards the summit are all different yet we share an element we came to recognize as essential when climbing a mountain: a well-trained guide is life-saving. In our stories we each meet such a spiritual guide, a

master mountaineer able to show us the way toward the spiritual summits Omraam Mikhael Aivanhov Discover how his self mastery and the many methods he suggested influenced us Discover the direction we have taken as a result and how we keep climbing Join us in the awakenings to new heights of consciousness The spirit is above everything else and when you succeed in becoming one with it in identifying with it you receive strength peace of mind illumination Omraam Mikhael Aivanhov
