and deliberately sailed away from God or maybe you're just slowly drifting Until one day God's voice calls to you like the lighthouse will beckon to the nearby ships alerting them to danger God comes for us shining His light into the dark and dismal place that has us trapped I made many mistakes in my life while being away from God from the small barely noticeable ones which seemed easy to fix to the earth shattering knee bending ones that I couldn't crawl out of without help Today I know that a strong relationship with God takes time and effort Faith isn't stagnant Faith involves active participation Like a seed develops its roots beneath the soil our faith grows deeper as we take our time getting to know God intimately through His Word The more we understand and see His faithfulness throughout the Bible the more we will love Him Then our faith strengthens and becomes rooted in Him In being faithful to my relationship with God I found myself anchored in place by deep roots and every gardener knows deep strong roots are hard to uproot These devotions were written to share my I finally get it moments when God would teach me through my work my relationships and my daily activities It didn't matter whether I was gardening traveling or cooking God used these moments to open my eyes to certain truths He wanted me to know On a roller coaster where only death was expected faith was finally understood While chasing a storm with my mother I understood a reason for trials As I wrote I prayed for the readers and I longed that they too would draw and stay closer to Him and I hope that you will be one of them *The Epworth Herald* ,1905 [The Scriptural Doctrines of Justification, Faith, and Holiness: Being the Substance of ...
