Dangerous Wonder With Discussion Guide:

Dangerous Wonder Michael Yaconelli, 2014-02-27 Recapture the joy of being a child and apply it to your relationship with God Ask the difficult questions about faith then just take Jesus at His word Includes discussion guide **Wonder Clearing, Discussion Guide** Taylor Penfield, 2020-10-09 The discussion guide for the novel Wonder Clearing comes at a critical moment for churches and nations Both churches and nations are suffering through not only a terrible pandemic threatening physical health but also a pandemic of division that threatens the heart of our churches and the soul of civic society Small groups using the discussion guide will focus on issues pertinent to contemporary America including racism sexual orientation and sexual exploitation of women and children These issues play out in our world in religion culture and politics Online or in person discussion groups will easily apply the questions Scriptures and discussions to their own situations Current social issues in both Catholic and Protestant churches echo many of the themes of the book Political issues including immigration civil rights and discrimination parallel the experiences of Rob and Alphonso in the Steepleton of their youth But the appeal of discussing Wonder Clearing will be far more than pertinence of the issues and the reality of current prejudices Instead discussing the experience of the characters will offer participants an alternative way of living in a divisive religious and political world **Love Walked among Us** Paul E. Miller, 2014-02-12 Who Is Jesus His name is recognized the world over But how many of us fully understand what He was like as a person Honest powerful humble full of mercy and light Jesus was love personified the full potential of what we were intended to be Get to know Jesus and witness His love unfold in the Gospels in a new and insightful way In this encouraging and convicting look at Jesus life on earth Paul Miller investigates the answers to questions such as How do you love someone when you get no love in return How do you love without being trapped or used How do you love when you have your own baggage When do you take care of yourself How do you love with both compassion and honesty The Gospel accounts combined with Miller s own life stories will uplift your spirit give you a new perspective and encourage you to love like Jesus For a glimpse of our great Savior open this book You ll be glad you did I was Max Lucado bestselling author To see Jesus is to see what love looks like Paul Miller gives us a fresh look in this wonderful book Joni Eareckson Tada If Jesus or Jesus saving grace is just an abstraction to you Paul Miller will be a great help in making His love a living reality to your heart Timothy Keller pastor Love Walked among Us is authentic shoe leather Christianity Anyone who wants to grow in his or her relationship with God and other people will profit from this book Jerry Bridges author and speaker **A Generous Orthodoxy** Brian D. McLaren, 2009-05-18 A confession and manifesto from a senior leader in the emerging church movement A Generous Orthodoxy calls for a radical Christ centered orthodoxy of faith and practice in a missional generous spirit Brian McLaren argues for a post liberal post conservative post protestant convergence which will stimulate lively interest and global conversation among thoughtful Christians from all traditions In a sweeping exploration of belief author Brian McLaren takes us across the landscape of faith envisioning an orthodoxy that

aims for Jesus is driven by love and is defined by missional intent A Generous Orthodoxy rediscovers the mysterious and compelling ways that Jesus can be embraced across the entire Christian horizon Rather than establishing what is and is not orthodox McLaren walks through the many traditions of faith bringing to the center a way of life that draws us closer to Christ and to each other Whether you find yourself inside outside or somewhere on the fringe of Christianity A Generous Orthodoxy draws you toward a way of living that looks beyond the us them paradigm to the blessed and ancient paradox of we *Readers' Guide to Periodical Literature* Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1919
