Dangerous Friend The Teacher Student Relationship In Vajrayana Buddhism:

Dangerous Friend Rig'dzin Dorje, 2001-11-06 Although Tibetan Buddhism continues to grow in popularity the crucial relationship between teacher and student remains largely misunderstood *Dangerous Friend* offers an in depth exploration of this mysterious and complex bond a relationship of paramount importance in Tibetan Buddhist practice According to Tibetan Buddhist tradition the student must have complete trust in the teacher the dangerous friend if he or she is to achieve any understanding It is the teacher's responsibility to uphold the integrity of the tradition the basis of which is compassion for all beings by transmitting it properly to an appropriate student Likewise it is the student's responsibility to meet the challenge of carrying on the lineage of teachings By entering such a relationship both teacher and student accept the burden of protecting those teachings by understanding them completely and correctly by practicing them fully and faultlessly and by transmitting them without omission *Dangerous Friend* includes discussions of the following topics Meeting and recognizing an appropriate teacher Understanding the gravity of entering the teacher student relationship Shifting one's approach from spiritual materialism to genuine Buddhist practice Accepting the challenge of being truly kind honest and courageous

Gurus for Hire, Enlightenment for Sale Rinpoche Tsem Tulku, 2007 *Happy Clouds, Happy Trees* Kristin G.

Congdon, Doug Blandy, Danny Coeyman, 2014-03-14 An exploration of one of the most beloved and talented artists and painting instructors ever to teach on American television *Living on the Other Side* Lisa M. Hess, 2025-05-15 *Living on the Other Side* recounts and aims to redress the unspoken largely unconscious abandonment of the Feminine in ecclesial and academic settings through an economic trinity of voices a feminist with a forgiveness problem a conscious feminine theologian serving in academic and ecclesial environments unconsciously hostile to the Feminine and a preacher's wife coming to voice about the realities of congregational Christianity held redemptively in covenantal love Fruit of decades in theological education these pages demonstrate the necessity of sacred bewilderment for deepening spiritual maturity the purposes of rage becoming holy when able to acknowledge its limitation and an unexpected freedom that arises when forgiveness finds us in faith renewed in the Body of Humanity Current and prospective students in theology and religion seasoned pastors and willing congregations will find a compelling narrative and theological sense making of one woman's life in the Spirit disrupted so to become regrounded in a renewed and renewing trinitarianism arising out of historic Christian traditions *Spirituality and Mental Health* Phil Barker, Poppy Buchanan-Barker, 2006-06-14 This text explores spirituality and its relationship to mental health It emphasizes the need to look inward and listen to the messages which are channelled through our beings rather than dismiss these experiences as some form of disorder Part One considers spirituality as a reflection of the process of change A brief overview of the contemporary history of spiritual inquiry in the field of mental health is provided Part Two considers spirituality as a reflection of the process of meaning making Part Three considers spirituality in terms of different forms of journey including a consideration of the traditional concept of pilgrimage Part Four

considers the potential for healing that lies within even the most terrifying forms of madness The book then concludes with a suggestion of the power of waiting and the rewards obtained by the careful compassionate practice of life *Self and No-Self* Dale Mathers, Melvin E. Miller, Osamu Ando, 2013-12-16 This collection explores the growing interface between Eastern and Western concepts of what it is to be human from analytical psychology psychoanalytic and Buddhist perspectives The relationship between these different approaches has been discussed for decades with each discipline inviting its followers to explore the depths of the psyche and confront the sometimes difficult psychological experiences that can emerge during any in depth exploration of mental processes Self and No Self considers topics discussed at the Self and No Self conference in Kyoto Japan in 2006 International experts from practical and theoretical backgrounds compare and contrast Buddhist and psychological traditions providing a fresh insight on the relationship between the two Areas covered include the concept of self Buddhist theory and practice psychotherapeutic theory and practice mysticism and spirituality myth and fairy tale This book explains how a Buddhist approach can be integrated into the clinical setting and will interest seasoned practitioners and theoreticians from analytical psychology psychoanalytic and Buddhist backgrounds as well as novices in these fields **Romantic Dharma** M. Christian van Gorder, 2021-12-09 Buddhism and Christianity are ancient rich and multivalent wisdom spirituality traditions that often have insightful similarities as well as distinct perspectives from entirely different starting points Fragrant Rivers of Wisdom explores some of these paths and encourages readers to gain as far as is possible a participant s appreciation of another faith This book aims to help readers celebrate and enjoy the rich wisdom legacies of a teacher revealing a pure lotus blossoming from mud and the legacies of a peasant Jewish carpenter from Galilee revealing love on a cross Both teachers share the power of love the joys of healing encouragement and the creative resources of spirit filled living Their ancient words and their modern communities still following these paths are dynamically relevant for our modern context of confusion and challenge The Heart of the Path Lama Zopa Rinpoche, 2009-01-01 From a review in BuddhaDharma magazine The Heart of the Path is a lengthy teaching on guru yoga by a contemporary exemplar of the practice Lama Thubten Zopa A close disciple of Lama Thubten Yeshe for more than three decades Lama Zopa has taught by word and example the importance and power of properly following a guru The book is based on several decades of dharma talks organized by editor Ailsa Cameron into twenty four chapters beginning with the question of why one needs a teacher to progress along the path The remaining chapters discuss in considerable detail how to cultivate and practice devotion and generate the view of one s own teacher as the Buddha It concludes with several short guru yoga visualization practices Throughout the book Lama Zopa offers personal

reflections and stories to illustrate his message that guru yoga truly is the heart of the path to liberation From a review in Tricycle magazine For those interested in stepping beyond the realm of ideas into the world of practice the latest book from Tibetan master Lama Zopa Rinpoche is a helpful guide to one important aspect of the spiritual path The Heart of the Path explains the importance of guru devotion and Zopa s view of the proper way to develop a student teacher bond Lama Zopa has had many teachers but his unwavering devotion to Lama Thubten Yeshe shines through on every page Drawing on this experience and the Buddha s teachings Zopa effectively conveys the value of relationships based on Buddhist ideals From a review in Mandala magazine Although guru devotion is a foundational concept within Tibetan Buddhist thought for many it remains a bewildering and impenetrable topic Fortunately for contemporary practitioners Lama Zopa Rinpoche has spoken extensively on guru devotion giving teachings and advice about what it really means to have devotion to one s spiritual friend Drawing from nearly fifty teachings this treasure is the result of seven years of painstaking editing by Ven Ailsa Cameron Not only does it include teachings on the traditional sub topics that fall under guru devotion found in Tsongkhapa s lam rim but also a useful outline to guide your reading several supplementary prayers and teachings from other renowned Tibetan masters and inspiring images of Lama Zopa Lama Yeshe and other amazing teachers peppered throughout A perusal of this masterful work by Lama Zopa Rinpoche will assuage any doubts about the utility or possibility of seeing the guru as Buddha This book is made possible by kind supporters of the Archive who like you appreciate how we make these teachings available in so many ways including in our website for instant reading listening or downloading and as printed and electronic books Our website offers immediate access to thousands of pages of teachings and hundreds of audio recordings by some of the greatest lamas of our time Our photo gallery and our ever popular books are also freely accessible there Please help us increase our efforts to spread the Dharma for the happiness and benefit of all beings You can find out more about becoming a supporter of the Archive and see all we have to offer by visiting our website Thank you so much and please enjoy this e book

Artisanal Theology Lisa M. Hess, 2009-01-15 Paradox and surprise face those who pursue deeper spiritual practice theological wisdom and even a religious calling into the ministry Unbeknownst to incoming students the pursuit of theological education in established institutions today furthers a faith that is recognizable in delight and compassion even as it may just as easily deform it into a moral duty and autonomous professionalism so divisive in today s religious ecology How may those drawn into ministry formation today receive its deep theological treasures and sustain a vibrant faith with a theologically expressive delight able to companion the suffering of self and others *Artisanal Theology* explores the paradoxes and surprises that await those walking in the worlds of theological education the local congregation the academy the tradition denomination Part handbook part witness it offers guidance for the path of intentional formation within contemporary institutions of theological education whose riches may be mined in a disciplined spiritual stewardship and grounded in radically covenantal companionship Just like artisanal bread blends the classical methods of bread baking with

modern conveniences so an artisanal theology relies upon the personal and communal touch of human relationship amidst the contemporary forms of programmatic theological education. An artisanal theology offers an articulate and traditionally rooted faith perspective grounded in covenantal companionships sustained in contexts of church tradition and most importantly practice. Ultimately an artisanal theology witnesses beyond the anticipated political divides to the Triune God among us known in a theologically expressive delight able to companion the suffering of self and others.
