Contemporary Performance and Political Economy Katerina Paramana, 2025-02-18 Contemporary Performance and Political Economy examines haunting concepts relations and artworks that demand our attention Under capitalism political and ethical considerations are subordinated to economic ones and this subordination creates ghost worlds Performance works however can offer insights into alternative politico economic models In this major contribution to the fields of contemporary performance and political economy Katerina Paramana proposes that the investigation of performance works as economies can make the insights performance works offer visible She positions the examination in relation to contemporary critiques of capitalism neo feudalism and their by products and proposes and develops the notion of oikonomia as a means to theorize artworks which through their house oikos rules nomoi propose ethico political challenges to the economies in which they are embedded For this Paramana looks at politically positioned performance works created and presented in Cuba Europe Mexico the UK and the US Her interest is in the politics ethics and effects of these works house

rules and the insights they offer to the reconceptualization of political economy Ultimately this book aims to transform our understanding of economy's purpose It contributes to the development of a new ethico political paradigm upon which a reconceptualization of political economy can be based This inspiring study seeks to keep the fire for change alive by demonstrating that political economies much like performances are experiments that can be changed This work will be of great interest to students and scholars in performance studies theatre visual cultures politics cultural studies dance and visual arts and critical theorists

Cuban Memory Wars Michael J. Bustamante, 2021-02-10 For many Cubans Fidel Castro's Revolution represented deliverance from a legacy of inequality and national disappointment For others especially those exiled in the United States Cuba's turn to socialism made the prerevolutionary period look like paradise lost Michael J. Bustamante unsettles this familiar schism by excavating Cubans' contested memories of the Revolution's roots and results over its first twenty years Cubans' battles over the past he argues not only defied simple political divisions they also helped shape the course of Cuban history itself As the Revolution unfolded the struggle over historical memory was triangulated among revolutionary leaders in Havana expatriate organizations in Miami and average Cuban citizens All Cubans leveraged the past in individual ways but personal memories also collided with the Cuban state's efforts to institutionalize a singular version of the Revolution's story Drawing on troves of archival materials including visual media Bustamante tracks the process of what he calls retrospective politics across the Florida Straits In doing so he drives Cuban history beyond the polarized vision seemingly set in stone today and raises the prospect of a more inclusive national narrative

Empathy and Performance Laura V. Sánchez, 2024-07-15 *Empathy and Performance* advances a study of empathy and enactments of power by examining works from author-actors whose performances explore the boundaries between two kinship positions Author Laura V. Sánchez studies the dramatized dilemma of cultural understanding in *Our America* a notion that refers first to a collective political identity marking a common belonging in the Spanish-speaking America but also alludes to current struggles in the contemporary US This book sees empathy as an affective response grounded in subjectivity and kinship Sánchez argues that to conceptualize empathy one needs to understand how subjects organize classify and limit themselves not only as agents but also as interpreters What sort of affiliations do these performances promote How do they break reinforce or queer societal expectations about the Latinx body the white body or simply the staged body To survey different answers to these queries Sánchez studies Indigurrito Nao Bustamante Dominicanish Josefina B ez Bienvenidos Blancos or Welcome White People Alex Torra the apology delivered by the group Veterans Stand with Standing Rock during protests against the Dakota Access Pipeline and Kukuli Velarde's body of work from *We the Colonized Ones* to *A Mi Vida* In these artistic enactments which range from 1992 to 2021 the historical construct of boundaries and bodies becomes evident Following recent work on empathy by Lanzoni Maibom Calloway Thomas Bloom Hogan and Matravers among others Sánchez examines in group out group divisions the establishment of identity categories through performance and the exploration of subaltern identities

Cuba-EEUU: la hora del deshielo Guerrero Vall, Joan Antoni, 2016-09-02 El 17 de diciembre de 2014 Barack Obama y Raúl Castro anunciaron un pacto por el que ambos países realizarían un reset en sus relaciones viciadas por décadas de guerra fría con un embargo económico de por medio y una retórica de enemistad continua Visto por unos como una capitulación de Estados Unidos ante el Gobierno cubano el cambio de rumbo de la política de Washington hacia la isla es visto por otros como una oportunidad para la aparición de una clase media que reclame más derechos políticos y acabe con décadas de dictadura El Rígin en cambio mantiene firme su voluntad de continuar conservando un sistema unipartidista y que penaliza la libertad política Mientras una debilitada oposición a la que el Rígin niega cualquier espacio intenta lidiar en este nuevo escenario en el que La Habana parece estar logrando legitimidad política en el tablero internacional Este libro explora los acontecimientos de los primeros meses tras el anuncio de deshielo entre Cuba y EE UU al tiempo que trata de ofrecer una selección de las principales cuestiones para profundizar en los retos que el giro de Obama plantea para el futuro de la isla caribeña Porque aunque esto parezca el fin de una historia lo más probable es que estemos presenciando el alumbramiento de una nueva

The Methuen Drama Companion to Performance Art Bertie Ferdman, Jovana Stokic, 2020-02-20 The Methuen Drama Companion to Performance Art offers a comprehensive guide to the major issues and interdisciplinary debates concerning performance in art contexts that have developed over the last decade It understands performance art as an institutional cultural and economic phenomenon rather than as a label or object Following the ever increasing institutionalization and mainstreaming of performance the book's chapters identify a marked change in the economies and labor practices surrounding performance art and explore how this development is reflective of capitalist approaches to art and event production Embracing what we perceive to be the oxymoronic status of performance art where it is simultaneously precarious and highly profitable the essays in this book map the myriad gestures and radical possibilities of this extreme contradiction This Companion adopts an interdisciplinary perspective to present performance art's legacies and its current practices It brings together specially commissioned essays from leading innovative scholars from a wide range of approaches including art history visual and performance studies dance and theatre scholarship in order to provide a comprehensive and multifocal overview of the emerging research trends and methodologies devoted to performance art

Latino Literature Christina Soto van der Plas, Lacie Rae Buckwalter Cunningham, 2023-03-31 Winner 2024 RUSA Outstanding Reference Award Offers a comprehensive overview of the most important authors movements genres and historical turning points in Latino literature More than 60 million Latinos currently live in the United States Yet contributions from writers who trace their heritage to the Caribbean Central and South America and Mexico have and continue to be overlooked by critics and general audiences alike Latino Literature An Encyclopedia for Students gathers the best from these authors and presents them to readers in an informed and accessible way Intended to be a useful resource for students this volume introduces the key figures and genres central to Latino literature Entries are written by prominent and emerging

scholars and are comprehensive in their coverage of the 19th 20th and 21st centuries Different critical approaches inform and interpret the myriad complexities of Latino literary production over the last several hundred years Finally detailed historical and cultural accounts of Latino diasporas also enrich readers understandings of the writings that have and continue to be influenced by changes in cultural geography providing readers with the information they need to appreciate a body of work that will continue to flourish in and alongside Latino communities

Dancing with the Revolution Elizabeth B. Schwall, 2021-04-06 Elizabeth B Schwall aligns culture and politics by focusing on an art form that became a darling of the Cuban revolution dance In this history of staged performance in ballet modern dance and folkloric dance Schwall analyzes how and why dance artists interacted with republican and later revolutionary politics Drawing on written and visual archives including intriguing exchanges between dancers and bureaucrats Schwall argues that Cuban dancers used their bodies and ephemeral nonverbal choreography to support and critique political regimes and cultural biases As esteemed artists Cuban dancers exercised considerable power and influence They often used their art to posit more radical notions of social justice than political leaders were able or willing to implement After 1959 while generally promoting revolutionary projects like mass education and internationalist solidarity they also took risks by challenging racial prejudice gender norms and censorship all of which could affect dancers personally On a broader level Schwall shows that dance too often overlooked in histories of Latin America and the Caribbean provides fresh perspectives on what it means for people and nations to move through the world

Culture and the Cuban State Yvon Grenier, 2017-11-08 Culture and the Cuban State examines the politics of culture in communist Cuba It focuses on cultural policy censorship and the political participation of artists writers and academics such as Tania Bruguera Jes s D az Rafael Hern ndez Kcho Reynier Leyva Novo Leonardo Padura and Jos Toirac The cultural field is important for the reproduction of the regime in place given its pretense and ambition to be eternally revolutionary and to lead a genuine cultural revolution Cultural actors must be mobilized and handled with care given their presumed disposition to speak their mind and to cherish their autonomy This book argues that cultural actors also seek recognition by the main for a long time the only sponsor and patron of the art in Cuba the curator state The curator state is also a gatekeeper state arbitrarily and selectively opening and closing the space for public expression and for access to foreign currencies and the global market The time when everything was either mandatory or forbidden is over in Cuba The regime seems to have learned from egregious mistakes that led to a massive exodus of artists writers and academics In a country where things change so everything could stay the same the controlled opening in the cultural field playing on the actors ambition and fear illuminates a broader phenomenon the evolving rules of the political game in the longest standing dictatorship of the hemisphere

The Enigmatic Realm of **Dangerous Moves Politics Performance Cuba**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Dangerous Moves Politics Performance Cuba Introduction

In the digital age, access to information has become easier than ever before. The ability to download Dangerous Moves Politics Performance Cuba has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dangerous Moves Politics Performance Cuba has opened up a world of possibilities. Downloading Dangerous Moves Politics Performance Cuba provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dangerous Moves Politics Performance Cuba has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dangerous Moves Politics Performance Cuba. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dangerous Moves Politics Performance Cuba. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dangerous Moves Politics Performance Cuba, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Dangerous Moves Politics Performance Cuba has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Dangerous Moves Politics Performance Cuba Books

1. Where can I buy Dangerous Moves Politics Performance Cuba books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
