Inductive Study Approach in order to arrive at a knowledge of how the text should be personally applied to one's life Formatted in a question and answer format it facilitates the process of observation what does the text say interpretation what does the text mean and the ultimate goal of application how should I personally apply the text to my life In this author's opinion it is impossible to grasp the whole prophetic picture and even many of the individual details and milestones without building firmly on this progressive foundation of first learning Daniel then the Olivet Discourse and finally on to Revelation The number one culprit of error in this area is most often traced to someone placing an over emphasis on only one of these teachings or over realizing a single aspect of just one of them Revelation cannot be properly understood in isolation from Daniel and the Olivet Discourse In fact if the Early Church who first received Revelation had perceived in even the smallest way that it contradicted made obsolete or outright replaced even one letter of one word in Daniel and the Olivet Discourse it would have been soundly rejected no matter what the authorship The amount of material in Daniel which is recapitulated in Revelation is astounding Rather than presenting another commentary to document the various views and alternative interpretations of Daniel these Bible studies at least provide the opportunity to examine the text and personally seek how God would see it realized in our personal life as we begin to experience these events in our lifetime [The Daniel Prayer Bible Study Guide plus Streaming Video, Updated Edition](#) Anne Graham Lotz, 2024-07-09 Do you long for a more powerful prayer life Do you grow discouraged when your prayers don't seem to change anything or allow you to hear God's voice In this six session video Bible study workshop video access included Anne Graham Lotz presents a biblical approach to prayer that will help you Learn to listen for God's voice Know Him in a personal relationship and Communicate with Him through His Word By taking a close look at the life of Daniel Anne unpacks the prayer he prayed in Daniel 9 Following the pattern of Daniel's original prayer as a model for how we speak to our Creator she helps us develop a more meaningful and powerful prayer life For an entire generation Daniel's people had been held in captivity and separated from their homeland But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years he claimed that promise and cried out for to the Lord to bring it to pass Daniel's example of praying God's Word back to Him is what Anne calls reversed thunder In this six session study Anne explains how we can reverse the thunder until Heaven is moved and we see real change in our own lives and the lives of those we're praying for This study guide has everything you need for a full Bible study experience including The study guide itself with video notes personal study and group discussion sections and a guide to best practices for leading a group An individual access to stream all six video sessions online DVD also available separately This guide includes weekly Bible study readings group activities and space for writing your own prayers It is ideal for use in small groups and Sunday school classes and includes a simplified Bible study track for more limited meeting time such as a workplace lunchtime setting Sessions and run times include Bible Study Workshop 48 00 Preparing for Prayer 17 00 Prompting in Prayer 22 30 Pleading in Prayer 25 00 Prevailing in Prayer 18 00 The Battle in Prayer 25 00 Streaming video
