Tyndale Old Testament Commentaries: Daniel Joyce G. Baldwin, *Daniel* Joyce G. Baldwin, 1978 Discusses the Bible's Book of Daniel and studies the book's main themes, ideas and messages **Daniel (Tyndale Old Testament Commentaries)**. WISEMAN D. J. ed, *Daniel* Joyce G. Baldwin, 2009-10-19 Daniel is a difficult book about the meaning of history and people today need its message Joyce Baldwin claims that the church needs to be counting on the certainties proclaimed in Daniel that God is constantly overruling and judging in the affairs of men putting down the mighty from their seats overthrowing unjust regimes and effectively bringing in His kingdom which is to embrace all nations **Daniel** Joyce G. Baldwin, 2009 Daniel is a difficult book about the meaning of history and people today need its message Joyce Baldwin claims that the church needs to be counting on the certainties proclaimed in Daniel that God is constantly overruling and judging in the affairs of men TOTC Daniel Joyce Baldwin, 2015-01-01 Daniel in the lions den and Belshazzar's feast are well known stories but the book of Daniel can be difficult to understand It is about the meaning of history and the church today needs to rely on the certainties it proclaims namely that God is constantly overruling and judging in the affairs of men putting down the mighty from their seats overthrowing unjust regimes and effectively bringing in his kingdom which is to embrace all nations Joyce Baldwin's commentary includes discussion of interpretative and critical issues and additional notes on key topics **The Tyndale Old Testament Commentaries**, 1999 **Eerdmans Commentary on the Bible: Daniel** Iain Provan, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Provan's introduction to and concise commentary on Daniel The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions *Nelson's New Illustrated Bible Commentary* Thomas Nelson, 1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading evangelical scholars don't dodge tough issues alternative views are presented fairly but commentators make their positions clear Attractively Designed Graphics appeal to the sound bite generation and others who aren't traditional commentary readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize important information **TOTC Daniel** Alec Motyer, 2015-01-01 Daniel in the lions den and Belshazzar's feast

are well known stories but the book of Daniel can be difficult to understand. It is about the meaning of history and the church today needs to rely on the certainties it proclaims, namely that God is constantly overruling and judging in the affairs of men, putting down the mighty from their seats, overthrowing unjust regimes, and effectively bringing in his kingdom, which is to embrace all nations. Joyce Baldwin's commentary includes discussion of interpretative and critical issues and additional notes on key topics.
