Danmarks Historie I Grundtra K:

Danmarks historie ,2002 *Carl Nielsen* Michael Fjeldsøe,Katarina Smitt Engberg,Bjarke Moe,2025-03-14 Carl Nielsen 1865 1931 occupies a prominent place among the European modern composers of the early twentieth century representing the generation of Richard Strauss Ferruccio Busoni Jean Sibelius and Gustav Mahler and his music is performed throughout the world Carl Nielsen A Cultural Biography is the first thoroughly researched and comprehensive biography of Nielsen available to international readers and scholars Nielsen participated in the lively cultural circles of late nineteenth century Copenhagen at a time when Scandinavian writers were in vogue throughout Europe He travelled extensively during his life but maintained strong ties with his cultural heritage His prolific output includes works in all genres from advanced symphonies to beloved popular songs *Scandinavian Colonialism and the Rise of Modernity* Magdalena Naum,Jonas M. Nordin,2013-02-20 In *Scandinavian Colonialism and the Rise of Modernity* Small Time Agents in a Global Arena archaeologists anthropologists and historians present case studies that focus on the scope and impact of Scandinavian colonial expansion in the North Africa Asia and America as well as within Scandinavia itself They discuss early modern thinking and theories made valid and developed in early modern Scandinavia that justified and propagated participation in colonial expansion The volume demonstrates a broad and comprehensive spectrum of archaeological anthropological and historical research which engages with a variation of themes relevant for the understanding of Danish and Swedish colonial history from the early 17th century until today The aim is to add to the on going global debates on the context of the rise of the modern society and to revitalize the field of early modern studies in Scandinavia where methodological nationalism still determines many archaeological and historical studies Through their theoretical commitment critical outlook and application of postcolonial theories the contributors to this book shed a new light on the processes of establishing and maintaining colonial rule hybridization and creolization in the sphere of material culture politics of resistance and responses to the colonial claims This volume is a fantastic resource for graduate students and researchers in historical archaeology Scandinavia early modern history and anthropology of colonialism *Danish Capitalism in the 20th Century* Stefan Kirkegaard Sløk-Madsen,2022-10-21 This book outlines the origins of Danish Capitalism and prosperity from a poor and devastated minor state in the 19th century to a consolidated universal mixed economy welfare state at the end of the 20th century The book argues that firm based innovation drove Danish prosperity and redistributive capacity It is a comprehensive but manageable examination of the institutions and choices that shaped a highly innovative and wealthy nation The book relies on history and economic theory presents commonly accepted narratives and theories and contributes new explanations Therefore the book also traces both antecedents and the current state of 20th century capitalism in Denmark and particular outcomes and critical institutions such as firm age the labor market and pension schemes The book will be of interest to academics in business history and economic policy as well as policymakers and all those interested in mixed economy studies

The European Union , Modernisation and Tradition Kerstin Sundberg,2004-01-01 This anthology is based on a symposium which had as its key issue a critical discussion of different theories of modernisation from the perspective of people s activities in local manorial societies Modernisation can be studied in terms of changing values norms and social relationships From a theoretical point of view the book makes use of the possibility to change main macro conceptions of the modernisation process using dichotomies such as feudal capitalist and individual collective and it also tries to integrate tradition and continuity perspective

The Ashgate Research Companion to the Politics of Democratization in Europe José María Rosales,Professor Tuija Pulkkinen,Professor Kari Palonen,2013-03-28

Democratization is a concept often used in academic book titles yet not many of them deal with the initial breakthrough of democratization This research companion applies a comparative approach to analyzing debates in a number of countries It discusses the politics concepts and histories involved in European democratization as a complex of changes that has altered the conditions of political action and debate in the continent for the past two centuries

[The Ashgate Research Companion to the Politics of Democratization in Europe](#) Tuija Pulkkinen,2016-03-23 Democratization is a concept often used in academic book titles yet not many of them deal with the initial breakthrough of democratization This research companion presents an alternative view to the widespread assumption that Western democracies should be the normative reference for the study of democratization elsewhere Rather it questions the universal validity of such an assumption by searching the history of European politics and by paying specific attention to the struggles of democratization accomplished outside Western Europe The authors apply a comparative approach to analyzing debates in the primary sources in a number of countries and languages and situate the results into a broader European context Focusing on European democratization from different historical and analytical perspectives they discuss the politics concepts and histories involved in democratization as a complex of changes that has altered the conditions of political action and debate in the continent for the past two centuries
