

The poster features a dark, moody background with three faces. A woman's face is in the upper left, looking forward with a concerned expression. A man's face is in the upper right, looking slightly to the side. In the lower left, a child's face is visible through a window frame, looking out. The title 'DARK ENTITIES' is in large, red, serif font on the right. Above it, in smaller red text, is 'A DUSTY KLEIN FILM'. At the top right, the names 'ELENA DANTIEROS BRANDON MCLEMORE JACKSON LEE TURNER' are listed in red. At the bottom right, the tagline 'PART OF THE FAMILY, PART OF THE HOUSE' is written in red.

Dark Dreams II The Entities Within:

Dark Dreams II the Entities Within Alex Knight, 2014-02 This book is based on the best seller of Dark Dreams I The Beginning which is based on true facts The end of Dark Dreams I was only the beginning of the Hell that Bridgett Montgomery would endure with the continued pain tortures and rape that their aftermaths revealed to be surreal Bridgett believed that their onset started when she accepted the government's assignment of perfecting the Embryonic Stem Cell Implantation Program Bridgett knew that if the secret of these Dark Dreams were ever revealed the government would confiscate the project announce a breach of a top secret program and then erase her as she watched them do to others Bridgett knew too much about government conspiracies and continued to play their dangerous games for the sake of humanity but what she always questioned was is it really worth it Now with Dark Dreams II The Entities Within many conspiracies are found to be true Sadly Bridgett becomes one of the biggest cover ups since the Einstein Theory Both books bring forth many government conspiracies as you read between the lines What you choose to believe is certainly welcomed Many believers have researched different types of government conspiracies added with well documented conferences to ensure our awareness of what key factors the government is hiding In doing so their lives were short lived Even though they are no longer with us they made quite an impact on those individuals that continue to believe that conspiracies do exist and will continue to hide detrimental truths that someday will shock the world Dark Dreams Alex Knight, 2012-07-24 Have you ever engaged eyes with someone and their eyes were dead dull and exhibiting nothing Have you ever engaged eyes with someone and their eyes sparkled so brightly that they drew you in as compared to being hypnotized Have you ever had someone walk up to you call you by a different name and you didn't know them Have you ever seen someone out of your peripheral vision staring observing and imitating your actions This book is based on facts made into science fiction protecting innocent people involved with government coverup projects Cross matching blood has recently become a difficult procedure as many new and different blood types are being introduced The government's denial of crashed UFOs with aliens aboard and their assistance with our high technology programs will continue to remain as such as well as their agreement in exchange to breed hybrids Many believe in all government cover ups and continue to seek out the real truths These truth seekers know THEY DO LIVE AMONG US *Folk Horror Revival: Harvest Hymns. M. M. Jackson, 2023-05-22 The volume brings together contributions on 15th and 16th century translation throughout Europe in particular Italy France Spain Portugal Germany and England Whilst studies of the reception of ancient Greek drama in this period have generally focused on one national tradition this book widens the geographical and linguistic scope so as to approach it as a European phenomenon Latin translations are particularly emblematic of this broader scope translators from all over Europe latinised Greek drama and as they did so developed networks of translators and practices of translation that could transcend national borders The chapters collected here demonstrate that translation theory and practice did not develop in national isolation but were part of a larger European phenomenon nourished by common references to Biblical and Greco-Roman antiquities and honed by common religious and scholarly controversies In addition to situating these texts in the wider context of the reception of Greek drama in the early modern period this volume opens avenues for theoretical debate about translation practices and discourses on translation and on how they map on to twenty-first century terminology
