Dark Side Of The Moon Dark Hunter:

Dark Side of the Moon Sherrilyn Kenyon, 2007-04-01 Susan Michaels was once the hottest reporter on the Beltway Beat until a major scandal ruined her life and left her writing stories about alien babies and Elvis sightings. Life as she once knew it is over or so she thinks but then she gets a lead on a story that could salvage her extinct career. She heads to the local animal shelter expecting a hot news tip which she gets in the form of a major police cover up for a ring of soul sucking vampires out to take over Seattle. So much for saving her credibility. And if that isn't bad enough she gets talked into adopting a cat and finds she's allergic to it. A cat that turns out to be a shapeshifter who claims to be an immortal vampire slayer on the prowl for the same corrupt cops. Her first thought: seek professional help. But as Susan's drawn into Ravyn's dark and dangerous world she comes to realize that there's a lot more at stake than just her defunct career. Now it's no longer a question of bringing the truth to her readers it's a matter of saving their very lives and souls. Ravyn's life was shattered over four hundred years ago when he mistakenly trusted the wrong human with the truth of his existence. He lost his family, his honor and his life. Now in order to save the people of Seattle he's forced to confront that nightmare all over again and to trust another woman with the secret that could destroy him. In the world of the Dark Hunters life is always dangerous. But never more so than now when a very human woman can shatter their entire world with just one story. The only question is will she

Now for the disclaimer. This book is mutable. It goes with the wind. It changes more often than the mind of a sixteen year old Gemini with a closet full of clothes and a date in an hour. Don't be surprised if you open it up for the thirty five thousandth time and find something old something new something borrowed or well you get the point. Curl up in a comfy chair with some millennium
