Dark Continent Michael McCarthy, 1983-12-28 **Dark Continents** Ranjana Khanna, 2003-04-22 Argues that the psychoanalytic self was constituted through the specifically national colonial encounters of the late 19th and early 20th centuries and that therefore somewhat paradoxically perhaps psychoanalysis is crucial for understanding postcolonial

The Dark Continent? Frits Andersen, 2015-12-31 Africa a forgotten continent that evades all attempts at control and transcends reason Or does it This book describes Europe's image of Africa and relates how the conception of the Dark Continent has been fabricated in European culture with the Congo as an analytical focal point It also demonstrates that the myth was more than a creation of colonial propaganda the Congo reform movement the first international human rights movement spread horror stories that still have repercussions today The book cross examines a number of witness testimonies reports and novels from Stanley's travelogues and Conrad's Heart of Darkness to Herge's Tintin and Burroughs Tarzan as well as recent Danish and international Congo literature The Dark Continent proposes that the West's attitudes to Africa regarding free trade emergency aid and intervention are founded on the literary historical assumptions of stories and narrative forms that have evolved since 1870

Unshackle the Dark Continent Eric Ikenna Nwokedi, 2011-11-08 The need to dominate the planet and keep the western empire immortal has remained the driving force behind America's policies towards some defenseless countries around the world Notable among them are African countries whose material and human resources has for hundred of years remained their target and primary source of raw material and energy that fuel their economic engine To dominate the planet war was waged both on the political economic as well as on the military front On the military front seven unified military commands are strategically created and located to oversee all the battle that will rage within each individual geographic regions Among the Unified Military Command is the newly created AFRICOM whose overall mission should be of concern to Africans mainly because it will not only oversee all the battle that will rage in the dark continent but will also be a source of intimidation to any potential rival to the installed puppet governments and the resources in the region On the financial front the World Bank IMF WTO and others have been in the fore front of the economic decay that bedeviled Nigeria in particular and Africa in general On the political front however the UN and their affiliated agencies are all agent of control and have all served specific purposes in dominating and controlling the world and have charted the course that favors only the chosen countries

Dark Continent Mark Mazower, 2009-05-20 An unflinching and intelligent alternative history of the twentieth century that provides a provocative vision of Europe's past present and future A splendid book The New York Times Book Review Dark Continent provides an alternative history of the twentieth century one in which the triumph of democracy was anything but a forgone conclusion and fascism and communism provided rival political solutions that battled and sometimes triumphed in an effort to determine the course the continent would take Mark Mazower strips away myths that have comforted us since World War II revealing Europe as an

entity constantly engaged in a bloody project of self invention Here is a history not of inevitable victories and forward marches but of narrow squeaks and unexpected twists where townships boast a bronze of Mussolini on horseback one moment only to melt it down and recast it as a pair of noble partisans the next Daybreak in the Dark Continent Wilson Samuel Naylor,1905 Through the Dark Continent Henry Morton Stanley,1878 **The Jewish Dark Continent** Nathaniel Deutsch,S An-Ski,2011-11-29 The Jews of the Pale of Settlement created a distinctive way of life little known beyond its borders Just before World War I a socialist revolutionary named An sky and his team collected jokes recorded songs took thousands of photographs and created a revealing questionnaire in Yiddish translated here in its entirety for the first time *Dark Continent my Black Arse* Sihle Khumalo,2011-03-28 In 2003 Sihle Khumalo decided to give up a lucrative job and a comfortable life style in Durban and to celebrate his 30th birthday by crossing the continent from south to north Celebrating life with gusto and in inimitable style he describes a journey fraught with discomfort mishap ecstasy disillusionment discovery and astonishing human encounters A journey that would be acceptable madness in a white man is regarded by the author s fellow Africans as an extraordinary and inexplicable expenditure of time and money Newly conscious of language barriers and regional difference in a continent still unexplored by the majority of Africans the author presents a strikingly original and highly enjoyable account of a unique adventure Each chapter is prefaced by a description of the father of the nation of the country in question and ends with a hilarious important tip **Heroes of the Dark Continent** James William Buel,1890
