Craig, 2020-05-18 How much of each relationship is based on reality versus what we hope to believe about who the other is Maggie Walther While Maggie Walther is a fictional character in Richard Paul Evans's lovely book *The Noel Stranger* I am not a fictional character How I wished I would have asked myself this question among others many years ago How do you determine if you should stay in a relationship with someone How can you live with someone for years and not be able to decide How can you put up with very serious issues and still stay in the relationship How can anyone who hears your story not think you are out of your mind to stay in a relationship that is not good for you in so many ways How many times do you forgive someone and just let it go How do you determine if there is more good in a person than bad How do you determine if someone has mental issues and really cannot help what they do How do you determine if someone is without feelings for anyone but themselves How do you know if you have done enough to keep the relationship going or if there is more you can do but you just don't know what the more is How many years do you have to know someone before you can say you really know them How do you determine if your relationship is a facade These are the questions I spent years trying to answer by seeking medical advice reading articles and books and praying my heart out because I wanted to do the right thing because I did not want another failed marriage because I had many regrets from my first marriage and didn't want any from this one

Blue Whispers at Midnight Zoya Irfan Ansari, 2021-12-16 *Blue Whispers* to you at midnight when you are all alone What do you expect to hear What do you think these whispers would say How do you think you'd feel after hearing them Do you think these whispers would be comforting Or would they hurt you Would they speak a truth you need to hear or would they contain a lie you need to be protected from *Blue Whispers at Midnight* comfort melancholy lullaby emptiness be it whatever it makes you feel like is a compilation of works from writers all across the world telling you what blue sounds like when it whispers to you at midnight *Locked in Emptiness* Jessie Hammond, 2007-10 *Locked in Emptiness* is a book of dark poetry

These poems are about particular events in my life Far too many times have I been torn apart emotionally and abused these poems are a certain reflection of that Every poem has rhythm and rhyme making them easy to read and interpret and they are about as emotionally real as they come *The Maid's Secret* Nita Prose,2025-04-08 NATIONAL BESTSELLER A daring art heist on the eve of Molly s wedding reveals long buried secrets in this intriguing and heartwarming novel from the 1 New York Times bestselling author of *The Maid* and *The Mystery Guest* A big hearted examination of wealth and social class Oprah Daily A glorious read intrigue heart and humanity in spades Lucy Foley Molly Gray s life is about to change in ways she could never have imagined As the esteemed Head Maid and Special Events Manager of the Regency Grand Hotel two good things are just around the corner a taping of the hit antiquities TV show *Hidden Treasures* and even more exciting her wedding to Juan Manuel When Molly brings in some old trinkets to be appraised on the show one item is revealed to be a rare and coveted artifact worth millions Molly becomes a rags to riches sensation and a media frenzy swirls as she prepares to sell her priceless treasure Then on auction day the treasure suddenly vanishes and Molly and her friends find themselves at the center of the boldest art heist in recent memory But the key to this mystery lies in the past in a long forgotten diary written by Molly s Gran For the first time ever Molly learns about her grandmother s secrets how she was born into a wealthy family and fell head over heels in love with a young man her parents deemed below her As fate would have it Gran s greatest love was someone Molly knows quite well A spirited heist caper and an epic love story *The Maid s Secret* is a spell binding whodunit that will capture your heart **Dark Days Lit Nights - Distant Memories... Dark Nights for Brighter Days Simone Tuyell White,2022-12-07 *Dark Nights for Brighter Days* came to exist because of my life experience different tests and trials experiencing mental illness and setbacks It s about my Christian journey and different things I had to encounter how my faith was tried and how I overcame many obstacles There were times I experienced some dark nights where I was isolated in the hospital and people stereotyped me and I felt my rights of freedom was taken away and I felt all alone During that time of my life I learned that weeping may endure for a night but joy comes in the morning That s when the brighter days come And when I get restored replenished renewed and strengthened I am educated that recovery is every day and that God is a healer and he will restore your mind House of Darkness House of Light Andrea Perron,2014-08-11 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970 The Arnold Estate located just beyond the village of Harrisville Rhode Island seemed the idyllic setting in which to raise a family The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse

Secrets were kept and then revealed within a space shared by mortal and immortal alike Time suddenly became irrelevant fractured by spirits making their presence known then dispersing into the ether The house is a portal to the past and a passage to the future This is a sacred story of spiritual enlightenment told some thirty years hence The family is now somewhat less reticent to divulge a closely guarded experience Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf They consider the Perron family saga to be one of the most compelling and significant of a famously ghost storied career as paranormal researchers During a seance gone horribly wrong they unleashed an unholy hostess the spirit called Bathsheba a God forsaken soul Perceiving herself to be the mistress of the house she did not appreciate the competition Carolyn had long been under siege overt threats issued in the form of fire a mother's greatest fear It transformed the woman in unimaginable ways After nearly a decade the family left a once beloved home behind though it will never leave them as each remains haunted by a memory This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery an eternal journey for the living and the dead

Into the Heart of the Sea James R. Mori, 2002-08-22
