programme for verse moves with the seasons following the turning year from John Clare's pale splendour of the winter sun to John Keats's Season of mists and mellow fruitfulness by way of Larkin's young leafed June and Gerard Manley Hopkins' glassy peartree leaves and blooms when Nothing is so beautiful as Spring As the year changes so we change with it Since time out of mind our daily lives have been shaped and directed by the seasons and it is here that we find poems about harvest and hardship growth and new life the warmth of the life giving sun Christmas and the closing of the year Poetry Please Seasonal Poems is a vital and generous gathering to treasure Cambridge Book of English Verse 1900-1939 Allen Freer, John Andrew, 1970-11-02 An anthology of English verse by writers such as D H Lawrence and Ezra Pound Gods and Mortals Nina Kossman, 2001-03-22 For centuries poets have looked into the mirror of classical myth to show us the many ways our emotional lives are still reflected in the ancient stories of heroism hubris transformation and loss that myths so eloquently tell Now in Gods and Mortals Modern Poems on Classical Myths we have the first anthology to gather the great 20th century myth inspired poems from around the world Perhaps it is because the myths echo the structure of our unconscious that every new generation of poets finds them a source of inspiration and self recognition says Nina Kossman in her introduction to this marvelous collection Indeed from Valery Yeats Lawrence Rilke Akhmatova and Auden writing in the first half of the century to such contemporary poets as Lucille Clifton Derek Walcott Rita Dove Wislawa Szymborska and Mark Strand the material of Greek myth has elicited a poetry of remarkably high achievement And by organizing the poems first into broad categories such as Heroes Lovers Trespassers and secondly around particular mythological figures such as Persephone Orpheus or Narcissus readers are treated to a fascinating spectrum of poems on the same subject For example the section on Odysseus includes poems by Cavafy W S Merwin Gregory Corso Gabriel Zaid Louise Gluck Wallace Stevens and many others Thus we are allowed to see the familiar Greek hero refracted through the eyes and sharply varying stylistic approaches of a wide range of poets from around the world Here then is a collection of extraordinary poems that testifies to and amply rewards our ongoing fascination with classical myth **The Complete Works of D. H. Lawrence** D. H. Lawrence, 2023-12-09 D H Lawrence's The Complete Works of D H Lawrence offers an exhaustive collection of his multifaceted literary output encompassing novels poetry essays and short stories Characterized by its exploration of human relationships sensuality and the tension between nature and industrialization Lawrence's writing often embodies a lyrical intensity and psychological depth that reflects the complexities of life in the early 20th century His works are deeply rooted in modernist contexts confronting societal norms with candid examinations of gender sexuality and existential angst Born in 1885 in a coal mining town in England Lawrence's upbringing in a working class family significantly shaped his worldview and literary voice He experienced firsthand the struggles of industrial life which permeate his writings His passionate quest for authenticity and emotional truth coupled with an interest in spirituality and the natural world led him to challenge contemporary literary conventions Lawrence's travels across Europe and encounters with diverse cultures further enriched his perspective allowing

him to synthesize personal and universal themes This comprehensive collection is essential reading for anyone seeking to understand the evolution of modern literature Lawrence s ability to intertwine the personal with the political invites readers to reflect on their own lives and societies For scholars enthusiasts or newcomers to his work The Complete Works of D H Lawrence serves as an invaluable resource that illuminates the profound depth and resonance of his literary legacy A *Nature Poem for Every Night of the Year* Jane McMorland Hunter,2020-09-08 A calming collection of nature poems to help you relax and unwind at the end of every day Now more than ever we re all in need of a daily fix of the natural world to comfort and distract us from the cares of everyday life Keep this beautiful book by your bedside and enjoy a dreamy stroll through nature every evening just before you go to sleep All the great time honoured poets are here William Wordsworth John Keats Emily Dickinson Robert Bridges along with some newer and less well known poetic voices The poems reflect and celebrate the changing seasons read Emily Bront on bluebells in spring and Edward Thomas s evocative Adlestrop in summer then experience golden autumn with Hartley Coleridge and William Blake s To Winter Beautifully illustrated with scenes from each season this wonderful book deserves a place on your bedside table for years to come
